

# SHREE L. R. TIWARI COLLEGE OF ENGINEERING

Approved by AICTE & DTE, Maharashtra State & Affiliated to University of Mumbai, NAAC Accredited, NBA Accredited program,  
ISO 9001:2015 Certified | DTE Code No: 3423, Recognized under Section 2(f) of the UGC Act 1956, Minority Status (Hindi Linguistic)

## Criteria 2- Teaching- Learning and Evaluation

### Key Indicator- 2.3. Teaching- Learning Process

#### Problem solving methodologies

Project based learning (PBL), Hands on projects- mini and major, Internship, Consultancy, Hackathons, Tech-Fest, intra and intercollege competitions, Prayas initiative.

Dr. Deven Shah

Principal

DEPARTMENT OF INFORMATION TECHNOLOGY  
Academic year 2022 - 23

Date: 12/10/2022

SLRTCE/IT/ODD/DEPT/MPRJ/2022-23/3

**NOTICE**

All the faculty members are hereby informed that TEIT mini project review - 2 presentations are scheduled on 18th October 2022 from 09:15am onwards.

Agenda: Detailed presentation along with 50% implementation

**Contents of PPT:**

1. Introduction
2. Problem statement
3. Scope of project
4. Literature survey (In this explain all the research papers that you have used along with comparative study)
5. Hardware and software requirements (include frontend and backend)
4. Overview of system flowchart
5. Dataset or inputs details
6. Implementations and Results
7. Conclusion and future work.
8. References (in IEEE format)

SLRTCE/IT/ODD/DEPT/MPRJ/2022-23/2

Date: 12/10/2022

### NOTICE

All the TE IT students are hereby informed that they have their mini project review - 2 presentations are scheduled on 18th October 2022 from 9:15am onwards in Lab 506,507 and 508.

Agenda: Detailed presentation along with 50% implementation

#### Contents of PPT:

1. Introduction
2. Problem statement
3. Scope of project
4. Literature survey (In this explain all the research papers that you have used along with comparative study)
5. Hardware and software requirements (include frontend and backend)
4. Overview of system flowchart
5. Dataset or inputs details
6. Implementations and Results
7. Conclusion and future work.
8. References (in IEEE format)

Panel No.	Date and Time	Group Numbers	Venue
Panel 1	18/10/2022 9:15am	Group no. 1,8, 9, 10	Lab 506
Panel 2	18/10/2022 9:15am	Group no. 2, 3,11, 12, 13, 16 ,17	Lab 507
Panel 3	18/10/2022 9:15am	Group no. 4, 5, 6, 7,14, 15, 18	Lab 508

#### Format of ppt presentation:

- Include SLRTCE header in all slides. On 1st slide Include your topic name, group members with roll no and guide name.
- Headings-Font-Times new roman + font size-14+bold
- Contents-Font-Times new roman + font size-12+alignment-justified
- Add figure no. and name below the figure and table number and name above the table
- In references use this [1] numbers and all the references should be in IEEE format (Authors name, "paper name", journal or conference name in short along with volume,publication year)

**NOTICE**

All the TE IT students are hereby informed that they have their first mini project review - 1 topic finalization presentations on Wednesday, 3rd August 2022 at 12:45 PM in Lab 505.

Agenda: Mini Project Topic Finalization

**Contents of PPT:**

1. Introduction
2. Abstract
3. Problem statement
4. Scope of project
5. Literature review
  - minimum 5 papers from last 3 years
  - Include which concept and algorithm you are taking from each paper.
6. Hardware and Software Requirement
7. Conclusion and future scope
8. References

# Letter of Intent

Subject: Letter of Intent for setting up of Transcript Issuance Blockchain Authentication Platform at Shree Rahul Education Society's Shree L R Tiwari College of Engineering in Association with Sapphirus Systems Pvt.Ltd.

Sapphirus Systems is the fastest growing education technology organization in India. LearningChain, comes from Sapphirus Systems Pvt. Ltd, is a blockchain powered Digital Certificate Issuance platform which enables institutions to move from a traditional manual certification process to fully automated process for faster generation of digital certificates. Key Advantage of tamper-proof digital certificates enables institutes to minimize the fraudulent certifications. Also single-click verification of digital certificates puts stop to time consuming traditional manual verification enabling cost savings to verifiers and institutions.

Shree L. R. Tiwari College of Engineering, established in the year 2010, the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

Dr. Deven Shah, Principal SLRTCE is working on Blockchain Tech from 2017. He has given various talks on the same topic at prominent agencies like National Forensic Science University, Commissioner Police office at Mira Bhayander etc and has designed the syllabus for Honors/Minors for University of Mumbai. He has also taken the initiative of setting up of first-of-its-kind 'Bitcoin Investigation Lab' at SLRTCE.

As part of LOI, SLRTCE will give the opportunity to issue blockchain powered Transcripts and evaluate the technical prototype developed by Sapphirus Systems. Sapphirus Systems will design and develop Transcript on Test-net and Main-net of Ethereum, after the approval of the prototype. The initial prototype will be tested at SLRTCE by issuing transcripts. SLRTCE will promote this to all engineering colleges affiliated to University of Mumbai along with all the institutions of Rahul Group of Education. Sapphire Systems will negotiate and close the deal of individual colleges on their own.

Sapphirus Systems will give a Consultancy of Rs.1Lakh as part of the arrangement.

  
Dr Deven Shah

# Letter of Intent

Subject: letter of Intent for setting up center for excellence lab at SLRTCE for Cryptocurrency investigation. In Association with Lab Systems (I) Pvt.Ltd.

Lab Systems (I) Pvt. Ltd. is a team of engineering professionals committed to provide digital forensic solutions to clients across a broad spectrum of industries. It is one of the top distributors of world class computer forensic software tools like Encase, myFRT, Fast Bloc, Drac, MiniDrac, Magnet Software & many more. Lab Systems India Pvt. Ltd., and its affiliated companies are passionately committed to detect, Investigate and prevent fraudulent practices happening in corporate and government sectors.

Shree L. R. Tiwari College of Engineering, established in the year 2010, the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

Dr.Deven Shah, Principal SLRTCE is working on Blockchain Tech from 2017 and created expertise in cryptocurrency investigation. He have given various talks on the same topic at prominent agencies like National Forensic Science University, Commissioner Police office at Mira Bhayander etc.

Inspite of having the technical background as a academician there is a lacking of on field investigation expertise. In order to fill this gap SLRTCE has identify Lab Systems, who are into forensic investigation from last 20 years, supporting various law agencies across India. Lab Systems will give SLRTCE the opportunity to work on real time challenges of investigation.

SLRTCE will set up a live Bitcoin node and private Bitcoin setup for exclusive training to clients of Lab Systems. SLRTCE will create a team of students and faculty, which include Dr.Deven Shah ,Dr.Vikas Kaul and Prof.Pravin Jangid and few students to work on this technology and support Lab Systems.

Lab Systems (I) Pvt.Ltd will give a Consultancy of Rs.2 Lakh + GST per annum for this activity with initial signing amount of Rs.1 Lakh + GST.

**Sub :** Letter of Intent for Training..

Respected Sir,

As per the communication we had over the phone on 19<sup>th</sup> July, 2022, we wish to enter into contract for conducting training for Indian Navy. We will be deciding the schedule for the training as and when training dates are finalised with Indian Navy.

Your Key Responsibilities would be : Conducting Trainings, Distributing E-Notes, Giving relevant Use Cases, Conducing Seminars, Setting Papers, Invigilating, Correcting Papers and Submitting the Result to us.

We have agreed on payment of Rs 1,00,000/- + 18% GST, out of which, we are paying Rs 25,000 as Advance towards the Contract.

Yours faithfully,  
M/s. Pal India Computer Training Pvt. Ltd.

## Letter of Intent

**Subject:** Letter of Intent for setting up Development Center at SLRTCE in Association with Lab Systems (I) Pvt. Ltd.

### CONTEXT

The grand Success of technical institute is driven by autonomy, accountability, and the availability of sustainable financing. Infrastructure improvements and the creation of centers of excellence serve as amplifiers. Educational attainment and student placement are process factors that are driven by the introduction of new programmers and their licensure, advancement in academic quality, research output, and improvement in the performance of academically underachieving students. The success metric for Higher Education Technical Institutes concentrates on Industry Link through consulting, whereby HEIs will engage Industry in addressing current issues. As of now, we are working the opposite way around with the industry providing us with knowledge dissemination in seminars, and workshops and aiding the institution by participating in various collegiate panels.

Kanakiya Park, Mira Road (E).

With the establishment of a cybersecurity lab in partnership with Lab Systems, a blockchain-based transcript system with Sapphirus Systems, and training for law enforcement agencies through Pal India Ltd., SLRTCE joined forces with industry to resolve their concerns.

Lab Systems (I) Pvt. Ltd. (LSIPL) is a team of engineering professionals committed to provide digital forensic solutions to clients across a broad spectrum of industries. It is one of the top distributors of world class computer forensic software tools like Encase, myFRT, Fast Bloc, Drac, MiniDrac, Magnet Software & many more. Lab Systems India Pvt. Ltd., and its affiliated companies are passionately committed to detect, Investigate and prevent fraudulent practices happening in corporate and government sectors.

Shree L. R. Tiwari College of Engineering, (SLRTCE) established in the year 2010, the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the evergrowing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi, Directorate of Technical Education (DTE), Maharashtra State.

LOI was signed between LSIPL and SLRTCE on 2nd August 2022 for setting up a live Bitcoin node and private Bitcoin setup for exclusive training to clients of LSIPL. LSIPL agreed to give a Consultancy of Rs.2Lakh + GST per annum for this activity with initial signing amount of Rs.1 Lakh + GST.

  
**PRINCIPAL**  
Shree L. R. Tiwari College of Engineering  
Kanakiya Park, Mira Road (E).

After ten months, the maturity has evolved with the following clear understanding:

- A solid collaboration amongst instructors and learners is vital, where the faculty leverages their in-depth conceptual knowledge of the subject to investigate the problem at hand and provide a clear road map for accomplishing the project's objectives.
- Students are incredibly quick to adopt the advance technology and provide businesses with innovative solutions.

### PROPOSAL

This document proposes the establishment of a development center for Lab Systems India Pvt. Ltd (LSIPL) to cater to a wide range of business projects in a bid to move from an informal to a formal method of managing industrial projects.

### OBJECTIVES

The development centre aims to

- Provide the trainees a workstation where they can partake in current initiatives.
- Provide SLRTCE students the opportunity to become involved in internships.
- Provide a solid technical knowledge base by educating students about the various cutting-edge technologies that businesses need.
- Create various initiatives based on hardware or software that are required by the industry and offer consulting services to businesses and other academic institutions.

Shree L. R. Tiwari College of Engineering  
Kanakiya Park, Mira Road (E).

## DEVELOPMENT CENTRE

A team within an entity that is specifically dedicated to the advancement of novel methods, protocols, or innovations is known as a development centre. To promote innovation and spur economic growth, technological corporations, academic institutions, and governmental organizations frequently build development centers. A team of subject matter specialists from different fields is often present in a development centre.

### Role of the Institute:

- To facilitate the development centre for that project, the institution must implement a pre-assessment process.
- Consciousness of the work's ambit from enterprise. The industry itself must embrace of this scope.
- Identifying the requisite technological expertise context and analyzing if it is commonly accessible or can be absorbed quickly.
- Any gear, consumables, or equipment that must be procured, purchased, or contracted for this rationale must be accounted for by the industry.
- Any research costs or library dues must be covered by the industry.
- In the event of instructional projects, the institute is in charge of developing the curriculum and ensuring its effective implementation.
- Development of a thorough SRS document.
  - Based on the SRS document prepared, an anticipated timeframe for the project must be determined.

  
PRINCIPAL

Shree L. R. Tiwari College of Engineering  
Kanakiya Park, Mira Road (E).

### DEVELOPMENT CENTRE MANAGER'S PURPOSE

The Development centre manager will function as the single point of contact (SPOC) and report directly to the institution's director of operations (developmentcenter). Identification of resources, project discussions, and resource provision fall under the purview of the management.

- make sure that participants come from various academic departments of the college
- knowledge sharing among students in the event that final-year students are involved.
- The management and representatives from the industry will conduct routine joint project reviews.
- The management should choose the resources and organize the training session in the case of training assignments.

### STUDENT'S RESPONSIBILITY

- The pupils are obligated to work on the project in accordance with the directions provided by the centre management and industry.
- Speak with the industry directly while keeping the manager informed.
- An effective on boarding procedure to ensure commitment for the duration of the project's life cycle.
- For successful information transfer, students are essential to provide hand holding to the junior batch.

### THE ONBOARDING PROCEDURE

  
PRINCIPAL

Shree L. R. Tiwari College of Engineering  
Kanakiya Park, Mira Road (E).

- The proper procedure should be followed, and all students throughout departments should be given a fair chance.
- A proper student selection procedure that includes interviewing candidates and creating trial layouts or models.
- Upon selection, students should demonstrate adequate dedication for the duration of the project.
- Attendance concessions are limited to 30% of total attendance.
- Students must sign an agreement promising to keep project details confidential.
- Students shouldn't contest the manager's choice on the distribution of work, money, or royalties. All legal authority rests with the centre manager.

#### FINANCIAL COMMITMENTS

- LSIPL will provide fixed remuneration of two lacs excluding any applicable tax to "Shree Rahul Education society" for development centre at SLRTCE. There will be advance payment of one month to start with centre as part of signing or agreement. LSIPL will pay every month before 10<sup>th</sup> day of the month.
- SLRTCE will allocate faculties and students for the project and will share remuneration with following guidelines.
- Depending on the size of the project for the development centre, industry will pay a specific sum to the college each month. To start with it will be two lacs Rupees.
- A part of this sum 30% will go to the college, and the remaining 70% will be split equally between the centre management and the students (20% to the manager, and 50% to the students), as applicable taxes.

*[Signature]*  
PRINCIPAL

Shree L. R. Tiwari College of Engineering  
Kanakiya Park, Mira Road (E).

- The project's paid internship would pay the students Rs. 5000.  
Example: If Company XYZ provides 7 projects for centre development and an average of 3 students are needed, then  $7 * 3 * 5000 = 1,05,000$  Rs. is the cost of the students and 2,10,000 Rs. is the project's overall cost.
- The industry must bear any additional costs if the project's scope is expanded. After the project is finished, the centre will help the industry maintain it for a year by charging a 20% royalty/maintenance fee of the product's real selling price.

### Projects Identified

LOI was signed between Lab Systems and SLRTCE for setting up a live Bitcoin node and private Bitcoin setup for exclusive training to clients of Lab Systems.

1. Under this LOI SLRTCE created a team of students and faculty, which include Dr. Deven Shah and Prof. Pravin Jangid and few students to work on this technology and support Lab Systems.
2. In addition Lab Systems has also hired two paid interns SuyashBhosale and Jas Parmar from third and final year engineering with a stipend of Rs.5000/- per month.
3. Two days training session on Blockchain and Cryptocurrency investigations was conducted by SLRTCE for Lab System professionals on 21st and 22nd January 2023.
4. SLRTCE students Darsh Jain, Jeet Sharma, SuyashBhosale and Jas Parmar participated in the All India Forensic Science Conference (AiFSC23), held by MHA Govt of India at NFSU Gandhinagar between 1st and 4th Feb 2023 along with Lab System professionals. The conference gave them practical exposure to the Enforcement and Forensic Science officers. The company catered to their travel, stay and related expenses for the duration of the conference.

  
PRINCIPAL

Shree L. R. Tiwari College of Engineering  
Kanakiya Park, Mira Road (E).

Meeting was conducted on SLRTCE campus with Lab System senior professionals Mr.VinayVishwanath , Nanda Sir and Mr.SwapnilPatil on 7th February 2023. Interviews were also conducted for few students regarding internship.

The following problem statements were finalized:

1. Image processing filters for ICVPro
2. Video Analytics and object identification
3. Face matching
4. Number plate enhancement and prediction
5. IOT based sensor in warehouse
6. MrutyunjayDoot
7. UPPCAP requirement
8. Supply chain requirement
9. SOS sender with voice and image.

TO WHOMSOEVER THIS MAY CONCERN

This is to certify that Utkarsh Mishra has successfully completed 3 months of internship with Lab Systems (I) Pvt. Ltd. as an UI Intern from 1<sup>st</sup> June 2023 to 31<sup>st</sup> August 2023. During the internship, Utkarsh has shown dedication, adaptability, creativity, and a strong work ethic.

Utkarsh Mishra has been an invaluable member of our team during his internship, making substantial contributions to multiple projects in the development of UI tools. He has displayed a profound understanding of UI principles and has effectively utilized various UI technologies and tools. Utkarsh's exceptional aptitude for grasping complex concepts and his proficiency in implementing UI algorithms have been remarkable. Moreover, his openness to constructive feedback and his ability to seamlessly integrate it into his work have been truly commendable.

We wish Utkarsh all the best in his future endeavors and are confident that he will excel in his career.

Sincerely,

(Approved by AICTE & DTE, Maharashtra State & Affiliated to University of Mumbai)  
NAAC Accredited, NBA Accredited Program, ISO 9001:2015 Certified | DTE Code No. : 3423  
Minority Status (Hindi Linguistic)  
Memorandum of Understanding

Ref. No. SLR/TCF/5305/22-23 Date 23/02/2023  
This Memorandum of Understanding is entered on 23/02/2023 ("Effective Date") by and between Connecting Dreams Foundation, the implementation partner for the \_VOIS for Tech program, having its office at B-41 Arya Nagar Apartments I.P Extension, Delhi 110092, India (hereinafter referred to as "CDF"); and,

Shree L. R. Tiwari College of Engineering Mira Road having its address \_\_\_\_\_  
\_\_\_\_\_ (hereinafter referred to as "Institution").

Whereas, CDF is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum

Whereas, Institution is a premier institution with the following details:

Established (year):	2010
Name and Address:	B
Affiliations:	To be a world class institute and a front runner in the educational and socio-economic development of the nation by providing high-quality technical education to students from all sections of society

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by CDF.

Now therefore, this Memorandum of Understanding (hereinafter called "MOU") witnesses the following.

- 1. Term and termination:** This MOU is valid for an initial term of 1 year from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.
- 2. Non-binding nature of this MOU:** The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.
- 3. Single Point of Contact (SPOC) for program co-ordination:** Both the Parties shall appoint a suitable person who will serve as a single of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout but all matters related to the execution of this MOU shall reside with the SPOC.

Kanakiya Park, Mira Road (E).

PRINCIPAL  
5573

4. **Program Calendar:** The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.

5. **Responsibilities of CDF and/or its program sponsors/partners:**

- a. **Orientation sessions:** CDF will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
- b. **Program materials:** CDF will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
- c. **Online instructor led sessions:** These sessions may take the form of webinars or mentoring workshops or technology bootcamps that will seek to assist learners in their career goals. These programs will be organized regular as per a regular calendar, published online and will be conducted by CDF team members or program sponsors or external stakeholders as appropriate.
- d. **Interaction with Industry experts:** CDF will bring industry experts (as per availability) to the Institute to drive engagements with students through seminars/webinars or project mentorship.
- e. **Online platform availability:** Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner.
- f. **Assessments:** CDF will conduct assessments, as required, for its programs prior to certification by CDF and/or its industry partners and/or participating government agencies.
- g. **Updates:** CDF will keep Institution management updated with the progress of the program(s).

6. **Responsibilities of Institution:**

- a. **Learner identification:** Institute will identify learners, volunteers and instructors who may participate in one or more programs offered by CDF.
- b. **Support with orientation sessions:** Institute will support CDF conduct orientation sessions for all stakeholders.
- c. **Support with attendance:** Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.
- d. **Support with assessments:** Institute will ensure that assessments carried onsite are proctored and professionally managed.
- e. **No fees:** Institute will not charge any extra fees from learners for participation in CDF programs. CDF will not charge any fees from the students/university for the program.
