

Shree Rahul Education Society's (Regd.)

SHREE L. R. TIWARI COLLEGE OF ENGINEERING

(Approved by AICTE & DTE, Maharashtra State & Affiliated to University of Mumbai)
NAAC Accredited, NBA Accredited Program, ISO 9001:2015 Certified | DTE Code No. : 3423
Minority Status (Hindi Linguistic)

Mechanisms for submission of online/offline students' grievances

1. Email ID for submission of online students' grievances

Committee Name	Email ID/ Link
INTERNAL COMPLAINT/ANTI-SEXUAL HARASSMENT COMMITTEE	icc@slrtce.in
GRIEVANCE REDRESSAL COMMITTEE	grievances@slrtce.in
MAHILA TAKRAR NIVARAN SAMITI	mahila.samiti@slrtce.in
ANTI-RAGGING COMMITTEE	antiragging@slrtce.in
Online Grievance form	https://slrtce.in/academics

2. Students can submit Offline form in Complaint Box

SLRTCE
HUMANITIES AND APPLIED SCIENCES [HAS]
University of Mumbai
Estd. 2010

Graduate Attributes & Program Outcomes

- PO1: Engineering Knowledge: Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
- PO2: Problem Analysis: Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
- PO3: Design/Development of Solutions: Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, cultural, societal and environmental considerations.
- PO4: Conduct investigations of complex problems: Use research based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
- PO5: Modern tool usage: Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
- PO6: The engineer and society: Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
- PO7: Environment and sustainability: Understand the impact of the professional engineering solutions in societal and environmental contexts, demonstrate the knowledge, and need for the sustainable development.
- PO8: Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- PO9: Individual and team work: Function effectively as an individual and as a member or leader in diverse teams, and in multi-disciplinary settings.
- PO10: Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
- PO11: Project management and finance: Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
- PO12: Life-long learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

About Us

Shree L. R. Tiwari College of Engineering is the first college in Mirsa Road that offers various undergraduate and postgraduate courses like Bachelor in Technology and Telecommunication Engineering, Master in Electronics and Telecommunication Engineering, Bachelor in Engineering, Master in Computer Engineering, Bachelor in Electronics, Computer Science Engineering, Bachelor in Mechanical Engineering, Bachelor in Civil Engineering, Honours in Applied Science and Bachelor in Information Technology at Mira Road East in Maharashtra. It is one of India's best Engineering College in Mumbai, and various other premier engineering institutions.

About us

Shree L. R. Tiwari College of Engineering is the best college in Mumbai that offers various undergraduate and post-graduate courses like B.Tech in Electronics and Telecommunication Engineering, M.Tech in Electronics and Telecommunication Engineering, B.Pharm in Computer Engineering, M.Tech in Computer Engineering, B.Tech in Information Technology, Computer Science Engineering, Bachelor in Mechanical Engineering, Bachelor in Civil Engineering, Humanities & Applied Sciences and Bachelor in Information Technology. It also has many more programs for students. Shree L. R. Tiwari College of Engineering is Mumbai, Maharashtra which provides top placements.
