Since its inception in the year 2015, June 21st is celebrated as The International Day of Yoga all over the world. This idea was proposed by our Prime Minister, Mr. NarendraModi. He said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and nature. By changing our lifestyle and creating consciousness, it can help in well being.

International Yoga Day was celebrated by the volunteer and teachers at home itself due to the pandemic of covid-19 with great enthusiasm. Volunteers of Shree l. R. Tiwari of engineering demonstrated various asanas followed by Omkar chanting. Warm up exercises were taken and the students performed sitting and standing asanas and they have also captured every moment by clicking the pictures and sharing those pictures in respective groups. Even those pictures were posted on the Instagram page of slrtce nss to aware people the importance of yoga.

Regular practice of yoga will surely help the students achieve a better life, physically, mentally and spiritually as well.

Letter of Appreciation

Dear Leader,

On behalf of 'Pledge for Life' team, we would like to thank you and your NSS unit for supporting the Spit Free India Movement.

During this Corona crisis, experts determined that spitting spreads the virus. Chewing tobacco, gutkha, khaini, etc cause the urge to spit and hence the Government, under the Disaster Management Act 2005 gave the order to stop spitting in public places and the Prime Minister, Shri Narendra Modi, himself, urged the public to do so too.

The National Service Scheme (NSS) is supporting the Spitting Kills campaign wherein NSS Volunteers created awareness among public on the issue. This appreciation letter is issued because your NSS Unit has till 25th Oct 2020 got 124 persons to fill in the Spitting Kills weblink.

Your timely action is saving the spread of Covid-19 as well as reducing the usage of chewing tobacco. We now look forward to your getting thousands more to fill the weblink.

Thank you for your service to society,

Arvind Mathur

BLOOD DONATION ACTIVITY

NAME OF THE ACTIVITY ;-BLOOD DONATION ACTIVITY

DATE OF THE ACTIVITY :- 1st March 2021

NO. OF PARTICIPANTS;-40

EVENT COORDINATOR :- Ms. Menka Singh

VENUE:- Shree .L.R.Tiwari College of Engineering

TIME;- 9:30 am onwards.

A Blood donation camp was organized by our college’s NSS unit,in collaboration with Nair Hospital, Mumbai, through which more than 35 units of blood was donated by both students and the staff members of our Shree .L.R.Tiwari College of Engineering college.It is a way of Shree .L.R.Tiwari College of Engineering college,Mumbai gesture in bringing a ray of hope to contribute to the serious problems of acutes shortage of blood..Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing people at the camp our NSS volunteers brought awareness to them about the shortage of blood and why we must donate blood every year, to help the persons requiring blood.It was held in the college seminar hall. All the preparations such as arrangement of beds, sanitation etc were made. A team of doctors and nurses from the Nair hospital had reached in time.

Each and every donor was enthusiastic about donating blood. Firstly the candidates were to take a small hemoglobin test to know whether they are eligible to donate the blood or not and then they had to register their name and fill in a few important details of themselves.They were laid to bed with a soft ball in their hand. Then the process of extracting the blood off the body started. The process took more than half an hour. After it, every donator was given coffee and snacks and specific rules and precaution to be followed after the donating the blood

The Blood donation Camp continued till 3:0 pm.The donors were also handed over the Certificates . Even in this pandemic situation volunteers and donors actively participated and we were able to make it a success by collecting around 30-35 bags of blood.
