Academic Year 2018-19
Report of Campus Credentials Training

Duration:	January 2019 – July 2019
Phase:	Session I, II, III
Timings:	09:30 am – 04:30 pm
Venue:	SLRTCE Building
Number of Participants:	190-200 students
Instructor:	1) Ms. Sangeeta 2) Mr. Rizwan 3) Mr. Satish 4) Ms. Palak Thakkar 5) Mr. Vinod 6) Mr. Lalit 7) Mr. Saurabh Desai

Introduction:

The Campus Credentials lecture was organized with the aim of equipping students with the necessary skills and knowledge to excel in aptitude tests conducted by companies during the placement process. The lecture covered three key areas: Quantitative Aptitude, Logical Reasoning, and Verbal Ability. This report provides an overview of the lecture's objectives, content, and outcomes.

Objectives:

1. To familiarize students with the types of questions typically encountered in aptitude tests.
2. To enhance students' problem-solving abilities in quantitative and logical reasoning.
3. To improve students' verbal communication skills, including vocabulary, grammar, and reading comprehension.

Content:

- 1. Quantitative Aptitude:**
 - Basic arithmetic operations (addition, subtraction, multiplication, and division).
 - Fractions, percentages, ratios, and proportions.
 - Algebraic equations and inequalities.
 - Data interpretation and analysis.
 - Time, speed, and distance calculations.
 - Probability and statistics.
- 2. Logical Reasoning:**
 - Analytical reasoning.
 - Coding-decoding.
 - Syllogisms.
 - Data sufficiency.
 - Puzzles and arrangement problems.

PRINCIPAL
Shree L. R. Tiwari College of Engineering
Kanakiya Park, Mira Road (E).

T.P.O.
Shree L. R. Tiwari
College of Engineering

- Non-verbal reasoning.
3. **Verbal Ability:**
- Vocabulary building exercises.
 - Grammar rules and usage.
 - Sentence completion.
 - Reading comprehension techniques.
 - Paraphrasing and summarizing skills.
 - Verbal analogies and logical deductions.

Conclusion:

The Campus Credentials Lecture on Aptitude Preparation for Placement was a valuable initiative to equip students with the necessary skills and knowledge required to excel in aptitude tests conducted by companies during the placement process. By focusing on Quants, Logical Reasoning, and Verbal Ability, the lecture aimed to enhance students' problem-solving abilities, logical thinking skills, and language proficiency. The interactive sessions and practice exercises provided students with hands-on experience and valuable feedback. Overall, the lecture served as an important step in preparing students for successful placements in reputed companies.

Respected Madam,

Greetings from SLRTCE!

We are planning to organize a course on "Personality Development" for Mechanical Engineering Department to bridge the gap between the Engineering Curriculum and Industry requirements, thus creating the best career prospects for our students.

With this intent, we would like to invite you as a speaker for this event. Under your guidance students will get acquainted with Personality Development.

It will be our pleasure if you send your consent within two days so as to enable us to make necessary arrangements for the seminar. We would be deeply honored by your august presence at the event.

Thanking you.

Dear Sir,

On behalf of SLRTCE, it gives us an immense pleasure in conveying our heartfelt appreciation to you for the valuable contribution and support extended towards "Personality Development" for academic year 2018-2019 which is being conducted in the Department of mechanical engineering of Shree L. R. Tiwari College of engineering.

We appreciate you for sparing your valuable time and putting efforts for making the sessions interactive and lively.

We appreciate your gesture and hope to receive the same response and support from you in future.

Thanking You,

Yours faithfully,

About SLRTCE

Shree L. R. Tiwari College of Engineering (ISO certified), established in the year 2010, was the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

About the Course

This course structure allows for a comprehensive exploration of interpersonal skills, professional values, communication, problem-solving, and attitude re-engineering, while providing opportunities for practical application and assessment.

Details of Participants

Students of Shree. L. R. Tiwari College of Engineering

Course Objectives

The student shall be able

- To develop interpersonal skills and be an effective goal oriented team player.
- To develop professionals with idealistic, practical and moral values.
- To develop communication and problem solving skills.
- To re-engineer attitude and understand its influence on behavior.

Course Outcomes

The student shall be able to

- Navigate conflicts effectively and contribute positively to group dynamics.
- Integrate theoretical knowledge with practical applications, fostering a well-rounded professional approach.
- Use effective communication to collaborate on problem-solving within a team environment.
- Understand the connection between attitude, motivation, and overall success in personal and professional endeavors.

Respected Madam,

Greetings from SLRTCE!

We are planning to organize a course on "Soft Skill" for Mechanical Engineering Department to bridge the gap between the Engineering Curriculum and Industry requirements, thus creating the best career prospects for our students.

With this intent, we would like to invite you as a speaker for this event. Under your guidance students will get acquainted with Soft Skill.

It will be our pleasure if you send your consent within two days so as to enable us to make necessary arrangements for the seminar. We would be deeply honored by your august presence at the event.

Thanking you.

Dear Sir,

On behalf of SLRTCE, it gives us an immense pleasure in conveying our heartfelt appreciation to you for the valuable contribution and support extended towards "Soft Skill" for academic year 2018-2019 which is being conducted in the Department of mechanical engineering of Shree L. R. Tiwari College of engineering.

We appreciate you for sparing your valuable time and putting efforts for making the sessions interactive and lively.

We appreciate your gesture and hope to receive the same response and support from you in future.

Thanking You,

Yours faithfully,

About SLRTCE

Shree L. R. Tiwari College of Engineering (ISO certified, established in the year 2010, was the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

About the Bridge Course

Human rights education is defined as the learning process that builds up the required knowledge, values, and proficiency of human rights of which the objective is to develop an acceptable human rights culture.

Details of Participants

SE and TE Students from Shree. L. R. Tiwari College of Engineering

Bridge Course Objectives

The student shall be able to

1. To understand the concept of Human Rights.
2. To realize the significance of Values in Self-development.
3. To imbibe the knowledge, attitudes and skills needed to achieve and sustain a global culture of peace and values.
4. To indoctrinate value education in our students so that they remain committed to professional ethics and responsibilities relevant to professional engineering practice.

Bridge Course Outcomes

The student shall be able to

1. Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
2. Develop a good moral character and social attitude.
3. Determine the proper use of engineering knowledge to bring uplift in quality of life, along with peace.
4. Responsibilities relevant to professional engineering practice.
5. Developing effectiveness and self-management

About SLRTCE

Shree L. R. Tiwari College of Engineering (ISO certified, NAAC accredited), established in the year 2010, was the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

About the Course

This course is a systematic course designed to inculcate ethics and moral values in professionals along with technical skills. The duration of the course is 30 hours.

Details of Participants

Students of second year and third year from Department of Electronics and Telecommunications (EXTC), Shree. L. R. Tiwari College of Engineering (SLRTCE).

Course Objectives

The student shall be able to

1. Understand the fundamentals of cognitive processes.
2. Learn effective communication strategies.
3. Practice mindfulness and meditation for stress reduction.
4. Identify and overcome limiting beliefs.

Course Outcomes

The student shall be able to

1. Demonstrate an understanding of the relationship between values and cognitive enhancement.
2. Apply mindfulness techniques for improved focus and cognitive well-being.
3. Implement brain power enhancement exercises for cognitive agility.
4. Integrate values into ethical decision-making processes.

About SLRTCE

Shree L. R. Tiwari College of Engineering (ISO certified), established in the year 2010, was the first engineering college in Mira- Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

About the Bridge Course

In today's world, there is a dire need for professionals with ethics and moral values. Society needs educated people with good character. Today's engineering education is as much about building character as it is about equipping students with specific skills. The social studies suggest that values-based education can strengthen students' self-esteem, optimism, and commitment to personal fulfillment; and help students exercise ethical judgment and social responsibility. Parents also expect schools to help students understand and develop personal and social responsibilities. This course is designed with all the above considerations.

Details of Participants

Students of second year and final year from Department of Computer Engineering, Shree. L. R. Tiwari College of Engineering.

Bridge Course Objectives

The student shall be able to

- To understand the concept of Ethics in Engineering & Human Values.
- To realize the significance of Values in Self-development.

- To imbibe the knowledge, attitudes, and skills needed to achieve and sustain a global culture of peace and values.
- To address graduate attributes 6, 7, 8,9,10 related to professional engineering practice, sustainability, ethics, teamwork, and communication.
- To inculcate qualities like cooperation and team building to function effectively as an individual and as a member in teams and in multidisciplinary settings.

Bridge Course Outcomes

The student shall be able to

- Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- Develop a good moral character and social attitude.
- Determine the proper use of engineering knowledge to bring an uplift in the quality of life, along with peace.
- Responsibilities relevant to professional engineering practice.
- Cultivation of trust and cooperation in team building Developing effectiveness and self-management.

About SLRTCE

Shree L. R. Tiwari College of Engineering (ISO certified), established in the year 2010, was the first engineering college in Mira-Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

About the Bridge Course

This course is a systematic course designed to bridge the gap between professional courses in engineering & human values. The duration of the course is 30 hours.

Details of Participants

Students of second year, third year and final year from Electronics Department, Shree. L. R. Tiwari College of Engineering

Bridge Course Objectives

The student shall be able to

- To understand DHARMA-A LIFE OF INTEGRATION.
- To realize the significance of Values in Self-development.
- To imbibe the knowledge, attitudes and skills needed to achieve and sustain a global culture of peace and values.

- To indoctrinate value education in our students so that they remain committed to professional ethics and responsibilities relevant to professional engineering practice.
- To address graduate attribute 6, 7, 8,9,10 related to professional engineering practice, sustainability, ethics, teamwork and communication.

Bridge Course Outcomes

The student shall be able to

- Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
- Develop a good moral character and social attitude.
- Determine the proper use of engineering knowledge to bring uplift in quality of life, along with peace.
- Responsibilities relevant to professional engineering practice.

About SLRTCE

Shree L. R. Tiwari College of Engineering (ISO certified), established in the year 2010, was the first engineering college in Mira- Bhayandar, and since then has provided a sound platform, equipping students to stand on their own feet, visualize, grow and build a bright future in the ever-growing industry. The college offers 6 full-time UG courses leading to the degree of Bachelor of Engineering (B.E.) from the University of Mumbai and also offers Master of Engineering (M.E.) in Computer Engineering and Electronics & Telecommunication. All courses are approved by the All India Council for Technical Education (AICTE), New Delhi & Directorate of Technical Education (DTE), Maharashtra State.

About the Bridge Course

Today's engineering education is as much about building character as it is about equipping students with specific skills. Panch means five and kosh means sheath. According to the Upanishads, the entire body is covered by five walls which are called Kosh or sheaths. These five sheaths cover the soul which is why we identify ourselves as the body and aren't acquainted with our real identity (soul). Due to identifying ourselves as the body we run helter-skelter in search of physical enjoyments and experience all the Mayic vices. A soul has a mind, an

intellect, 5 karmendriyan and 5 gyanendriyan, a gross material body, and the panchpran. Trisharir is one way of grouping them in 3 bodies which are eternally associated with a material jeev. Panchkosh groups the same components slightly differently.

Details of Participants

Students of second year and final year from Department of Computer Engineering, Shree. L. R. Tiwari College of Engineering

Bridge Course Objectives

The student shall be able to

- To understand the concept of Human Values karmendriyan and gyanendriyan.
- To realize the significance of Self-development.
- To imbibe the knowledge, attitudes, and skills needed to achieve and sustain a global culture of peace and values.
- To inculcate qualities like cooperation and team building to function effectively as an individual and as a member in teams and in multidisciplinary settings.

Bridge Course Outcomes

The student shall be able to

- develop a good moral character and social attitude.
- rejuvenates and calms your mind, body, and soul.
- paves the way for better creativity and improved awareness. Gives you a deeper insight into various levels of existence.
