## Narrative Report of Seminar

**Title of Session:** Career in IT: Myths and Facts

**Date/Duration:** 25th August 2021 (2hrs)

**Mode of Delivery:** Google meet

**Number of participants:** 38

**Speaker(s) and Designation:**

Mr. Sachin Singh, Splz Associate Infrastructure Engineer, Mphasis-Ltd.

**Objectives:**

The webinar focuses on how an Electronics and Telecommunication Engineer can acquire a career in the IT sector with various fields, opportunities and roles available. Discussion on different myths and realities while working in an IT company. Overview and clarification of doubts regarding as a fresher working for IT companies.

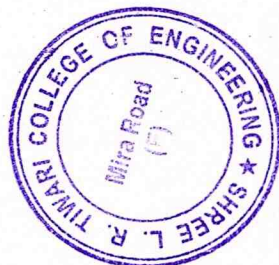

**Target Groups:** TE, BE

**Knowledge Acquired by the Webinar:**

The webinar comprised various topics ranging from self-assessment, exploring career options, wisely selecting the IT field as a career, and setting up a career goal. Speaker had also emphasized on various qualities that an individual should possess as a fresher.

Self-Assessment points focused on assessing the individual in terms of their interest, roles and responsibilities that they are good at and not to follow their fellow peers. The speaker raised a meaningful point that an individual should not include the skills and interests that they are not interested in, in their curriculum vitae. Mr. Singh also mentioned several situations emphasizing why it is important to choose a career of their own interest rather than following their peers.

During the career exploration topic, the speaker signified the topic's importance and why it is important for an individual to explore career opportunities before applying or pursuing their interests. Mr. Singh also described various search filters that can be used during job hunting or searching for career opportunities in the interested field of an individual. He gave various unique examples to make his point to the audience and did mention several ways that a student can explore these opportunities.

After exploring it's important for an individual to narrow down the list by selecting upto five opportunities suiting their interest, personality, needs, values and skills. Hence setting up a career goal. Mr. Singh also mentioned that as a fresher, an individual should have a positive attitude, understanding the needs of the project, interest to learn new concepts, values, skills and trending technologies.

Speaker also provided various tips and suggestions for the audience to keep in mind while applying for the position at a company, which included an individual should include their interest and describe them in brief during the interview. Along with these, he shared his own experience at Mphasis Ltd., their work culture and his responsibilities at the position, various methods that are adopted by the companies while working on their products. Several questions from the participants were answered by the speaker during the webinar patiently.

Students were extremely satisfied with the speaker's response and the webinar.

**Number of participants:** 74

**Speaker(s) and Designation:** Mr. Akhil Chandna, CEO of Arcforyou & Alumni of 2018 EXTC batch

### Objective of the Webinar:

The webinar's core idea was to give students insight into the challenges that await them

Post-college life & how to deal with them.

### Outcome of the Webinar:

Mr. Akhil Chandna, CEO of Arcforyou & Alumni of 2018 EXTC batch introduced himself to the students and gave them a brief idea about his journey over the past 3 years. As his core idea was to express to the students the challenges they are going to face after their graduation, he took a storytelling approach to make the students feel at home and then virtually live the challenges through his story.

Followed by this, the Arcforyou team had arranged for an expert trainer session to showcase a demonstration of Modern workspace skills of Collaboration, Communication, Creative thinking & Critical thinking through a vibrant interactive session of 20 minutes. The session helped the students think proactively, by navigating around basic methods and adopting an out-of-the-box approach.

Finally, post the demonstration session, Mr. Akhil Chandna took his time to bind his & his batch mates' experiences to give the students a mental framework on Overcoming Adversity and Thinking Big.

Campus Credentials

Academic Year 2021-22

# Report of Training for GATE / TOEFL / CIVIL SERVICES / GRE

**Duration:** February - June  
**Phase:** Session I, II  
**Timings:** 09:30 am - 04:30 pm  
**Venue:** SLRTCE Building  
**Number of Participants:** 60-70 students  
**Instructor:** 1) Mr. Kalyan Kumar  
2) Ms. Palak Thakkar  
3) Mr. Tushar

## Objectives:

1. To prepare for Competitive Exams.
2. To prepare the students to meet the industrial requirements.
3. To prepare the students to meet industrial market aspects such as Technical and Quantitative requirements
4. To signify the overall growth of the students over personal interviews and personal development
5. By providing comprehensive lectures on aptitude and technical skills, the program aimed to enhance students' problem-solving abilities, analytical thinking, communication skills, and proficiency in Python programming.

## Introduction:

The Campus Credentials lecture on Aptitude was a highly informative and engaging session that prepared students for the placement process in companies. The lecture covered essential topics and strategies to enhance the students' aptitude skills and improve their performance in various aptitude tests. The session was divided into three sections, focusing on Quants, Logical Reasoning, and Verbal Ability.

## Program Overview

### Quants:

- The Quants section covered a range of mathematical topics, including arithmetic, algebra, geometry, and data interpretation.
- Basic concepts and problem-solving techniques were explained in a clear and concise manner.
- Several practice problems and examples were provided to help students understand and apply the concepts effectively.
- Time-saving strategies and shortcuts were shared to improve speed and accuracy in solving quantitative problems.

### Logical Reasoning:

- The Logical Reasoning section aimed to develop students' analytical and critical thinking skills.
- Various types of logical reasoning questions, such as syllogisms, analogies, coding-decoding, and puzzles, were discussed.

Engineering  
Kanakiya Park, Mira R

- Techniques to approach different question types were explained, emphasizing logical deduction and inference.
- Students were encouraged to practice logical reasoning regularly to enhance their problem-solving abilities.

Verbal Ability:

- The Verbal Ability section focused on improving students' proficiency in English language skills, including grammar, vocabulary, and reading comprehension.
- Grammar rules and concepts were explained with relevant examples to clarify any doubts.
- Vocabulary-building exercises and tips were shared to enhance students' word power.
- Strategies for improving reading comprehension and speed were discussed, including skimming, scanning, and identifying key information.

The Campus Credentials lecture on Aptitude provided students with a solid foundation in Quants, Logical Reasoning, and Verbal Ability, essential for success in company placements. The session equipped them with the necessary skills, knowledge, and strategies to perform well in aptitude tests and effectively showcase their abilities to potential employers. Students were encouraged to continue practicing and refining their aptitude skills to maximize their chances of securing desirable placements.

Overall, the lecture was well-received by the students, who found it informative, practical, and valuable in their preparation for company placements. The session contributed significantly to their overall readiness and confidence in facing the aptitude challenges during the placement process.

## INVITATION LETTER

To,  
Miss Madhuri Agarwal,  
Mentor and Life Coach.

Respected Madam,  
Greeting from SLRTCE!

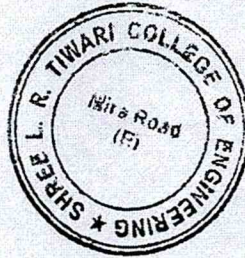

We are planning to organize a seminar on 22<sup>nd</sup> Jan 2022 at 10am for SE & TE students of Computer Engineering on "**Converting Stress To Smile**" to develop life skills of our student.

With this intent we would like to invite you as a speaker for this Seminar. We would be deeply honored by your august presence at the event.

Thanking you,

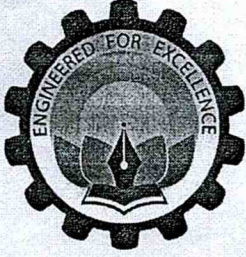

Yours sincerely,

## LETTER OF APPRECIATION

Dear Madam,

It gives me immense pleasure to express my profound appreciation to you on behalf of Shree L.R. Tiwari College of Engineering for the seminar conducted by you on 22<sup>nd</sup> Jan 2022, on "Converting Stress To Smile" for our students.

Your seminar was an inspiring and rewarding experience for all the participants. It was very well appreciated by our students and will immensely benefit them in future.

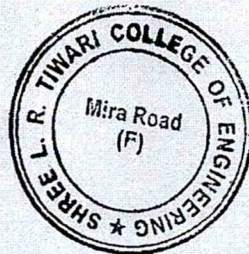

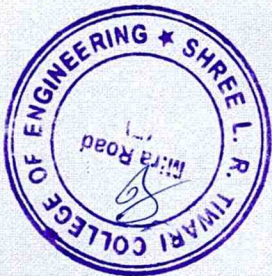

We appreciate your gesture and hope to receive the same response and support from you in future.

Thanking You,

Yours faithfully,

### A REPORT ON YOGA ACTIVITIES

**Name of Activity:** SIP 2021-2022

**Name of Sub Activity:** Yoga

**Name of the Speaker:** Ms. Samita Bhandari

**Date:** 04.01.2022

**Total Participants:** 226

The department of Humanities & Applied Sciences conducted an online Yoga & Fitness session on 4 January 2022 as an important part of Student Induction Programme 2021-2022. Around two hundred and twenty students attended the session. The objective of the session was to create awareness among the students about the importance of good health.

The session was conducted under the supervision & guidance of Ms. Samita Bhandari, Assistant professor, Dept. of Electronics Engineering. Mrs Samita Bhandari is a certified yoga instructor and she has an ample knowledge of yoga and fitness.

She demonstrated many physical exercises and asanas. Besides, she also made students practice breathing exercises and meditation. They practiced and learnt varied yoga postures, breathing exercises which are really very helpful to keep their body fit and fine and mind more stable and focused. All the first year students really enjoyed the session.
