Date: 29th July 2019

To,

The Principal,
SLRTCE, Mira Road(East),
Mumbai - 401107.

Subject: Permission for conducting a Workshop on "Advanced Python" on July 30-07-2019 to 31-07-2019 (Time: 9.00am to 4.00pm onwards)

Respected Sir,

I, Prof.Deepali Patil, Head of Department of Information Technology, SLRTCE, would like to take your permission on behalf of the department for conducting Two days Workshop on "Advanced Python" Below are the details of the event: -

Event name: A Workshop on "Advanced Python".

Objectives of Workshop: 1. To understand why Python is a useful scripting language for developers..
2. To learn how to design and program Advanced Python applications.
3. To define the structure and components of a Python program.

Organized by: Department of Information Technology and FOSSEE group, IIT Bombay

Speaker: Prof. Prabhu

Designation: Professor of IIT Bombay

Venue: Lab- 307, 3rd Floor.

Date: July 30th, 2019(Tuesday) to July 31st, 2019(Wednesday)

Time: 9.00 am to 4.00 pm

Fees: Free for all.

Honorarium of Speaker: No charges.

Participants: T. E IT.

Kindly give us the permission to conduct the seminar. Suggest some improvements if you feel there are any shortcomings of this proposal.

Thanking you,

Yours sincerely,

Ms.Deepali Patil

DEPARTMENT OF INFORMATION TECHNOLOGY INVITATION LETTER

To,
Dr. Prabhu
IITB

Respected Sir,

Greeting from SLRTCE!

We are planning to organize the Workshop on “**Advanced Python Workshop**” for TE students of Information Technology to bridge the gap between the Engineering Curriculum and Industry requirements thus creating the best career prospectus for our students.

With this intent we would like to invite you as a speaker for this event. Under your guidance students will be acquainted with Python Programming.

It will be our pleasure if you send your consent within two days so as to enable us to make necessary arrangements for the Seminar. We would be deeply honored by your august presence at the event.

Thanking you,

Yours sincerely,

Dr. S. Ram Reddy

LETTER OF APPRECIATION

Dear Sir,

It gives me immense pleasure to express my profound appreciation to you on behalf of Shree L.R. Tiwari College of Engineering for the seminar conducted by you on “**Advanced Python Workshop**” for our students.

Your Workshop was an inspiring and rewarding experience for all the participants .It was very well appreciated by our students and will immensely benefit them in future.

We appreciate your gesture and hope to receive the same response and support from you in future.

Thanking You,

Yours faithfully,

Dr.S.Ram Reddy

Seminar Summary Report

Title: Advanced Python	Date: 30/7/2019 and 31/7/2019
Venue: 307	Instructor Name: Mr. Prabhu , IITB.
Time: 9:00 am	Duration: 8 hrs. (Two days).
Audience: TEIT	Number of Participant:

Objectives:

- To understand why Python is a useful scripting language for developers.
- To learn how to design and program Advanced Python applications.
- To define the structure and components of a Python program.

Methods and Description:

Shree L. R. Tiwari College of Engineering, Mira Road, had organized a 2-day Advanced Python Workshop for the Third Year Students of IT Department, which was available with the help of FOSSEE. The shortlisting of the students was done via a test that was conducted a day prior to the workshop.

It was a full day workshop starting at 9:00 a.m. and ending at 5:00 p.m. All resource materials were provided by the Institute. Video lectures, from the Yaksh portal, were broadcasted in the room where the participants were seated. All Question & Answer sessions were answered by the FOSSEE team remotely. Quizzes were conducted using the Yaksh online test platform maintained by FOSSEE, IIT Bombay. The test activity was also monitored live through webcam and on a video portal.

On the first day of the workshop, a precap of the Basic Python Workshop was done. The participants were engaged by the constant solving of problem, writing of various codes and self-monitoring of the outputs after every change of code. The participants were also solving exercises on the Yaksh portal which was monitored by FOSSEE. After this, the Advanced Python was introduced and a lot of new concepts, which are the need of the industry, were instigated in the participants. A quiz was conducted at the end of the session.

On the second day, newer concepts including the idea about decorators, lists, comprehension generator expressions and so on were embarked. Just as the previous day, exercises were run to supervise the understanding and progress of the participants. At the end of the day, yet again, quiz was conducted to evaluate the performance of the participants.

Considering everything, the workshop was of utter importance to everybody as it imparted great knowledge and industrial relevance to everything that was taught.

Outcomes:

- Students learned the Application, Needs, Design, Structure and Component of Python Programming language.

INVITATION LETTER

To,

Mrs. Priti Singh

ATS Learning

Respected Mam,

Greeting from SLRTCE!

We are planning to organize the Workshop on “**Cross Platform Mobile Application**” for TE students of Information Technology to bridge the gap between the Engineering Curriculum and Industry requirements thus creating the best career prospectus for our students.

With this intent we would like to invite you as a speaker for this event. Under your guidance students will be acquainted with Mobile Application.

It will be our pleasure if you send your consent within two days so as to enable us to make necessary arrangements for the Workshop. We would be deeply honored by your august presence at the event.

Thanking you,

Yours sincerely,

Dr.S.Ram Reddy

LETTER OF APPRECIATION

Dear Mam ,

It gives me immense pleasure to express my profound appreciation to you on behalf of Shree L.R. Tiwari College of Engineering for the seminar conducted by you on “Cross Platform Mobile Application” for our students.

Your Workshop was an inspiring and rewarding experience for all the participants .It was very well appreciated by our students and will immensely benefit them in future.

We appreciate your gesture and hope to receive the same response and support from you in future.

Thanking You,

Yours faithfully,

Dr.S.Ram Reddy

Workshop Summary Report

Title: Cross Platform Mobile Application	Date: 7 th , 14 th , 21 st and 28 th August 2019
Venue: 307	Instructor Name: Mrs. Priti Singh
Time: 9:00 am	Duration: 4 days (8 hrs. each day)
Audience: TEIT	Number of Participant: 27

Objectives:

- The objective of the workshop is to have the participants get started with cross platform application development.
- Focusing on learning one language well and leveraging that across different platforms.
- Coding once and distributing to all the leading mobile devices.
- Participants would get to know intricate nuisance of cross platform apps
- Supporting current and future devices quickly.

Methods and Description:

Mobile application development is one of the fastest developing industries with new platforms and new applications coming every day. A lot of organizations and businesses are investing heavily in mobile applications and are deriving high revenues as well. Thus, if you are an entrepreneur and want to succeed in this fast-paced world, it is necessary to develop a mobile application for your business too. However, the question is which type of mobile application will suit your target audience? Would it be a good idea for you to go with Native or Cross platform mobile app development?

You need to choose whether to develop an application just for Android or for all platforms including iOS, BlackBerry, iPad and Windows. Native application development focuses on one OS while cross-platform application development focuses on multiple Operating Systems. Nowadays, the concept of cross platform mobile app development is taking the industry by storm. These apps are built utilizing a language that can be surrounded with native code and after that deployed over all platforms. Such platforms including Xamarin, PhoneGap and Appcelerator lessen the developers work and furthermore decreases the development time.

Outcomes:

With the completion of this workshop students got the hands on experience on various application of cross mobile platform software tool and they also understood the need of industry with respect to Cross Platform Mobile Application with the current industry trends.

NOTICE

Dear All,

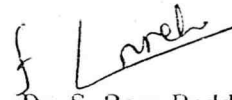

All students are hereby informed that a Seminar on Java, .Net and Database has been arranged on 16/09/2019 in Room No. 113.

In this seminar following topics will be discussed:

1. Write C/ C++/ JAVA programs.
2. Use the variety of data types appropriate to specific programming problems.
3. Utilize the modular features of the language.
4. Demonstrate efficiency and readability.
5. Demonstrate the use of the various control flow constructs.
6. Use arrays as part of the software solution.
7. Include the structure data type as part of the solution.
8. Apply Logic to write Complex Code.
9. Learn Different Styles of Programming Pattern and their Logic.
10. Understanding Various Data Structures
11. Apply Concept of RDBMS In Database design

“ Introduction to Java, .net and Database 1 ”

Title of the Session: Introduction to Java, .net and Database

Date: 16th September 2019

Timings: 10:00am-12:30pm

Venue: Google Meet

Number of participants: 50

Speaker and Designation: Mr. Chirag Panchal, CMP Infotech, Trainer

Objectives:

- 1) To understand the need of portable and simple languages like Java
- 2) To understand how .Net Framework supports building and running Windows apps and web services.
- 3) Understanding the importance and need of Database for design and development

Target Groups: CS, IT

Knowledge acquired by the seminar:

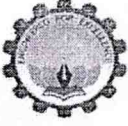

As the need for software based jobs increases, it is important for students to learn the basics of building a web application software and different domains where skills like programming languages, and keen knowledge of networking and database systems need to be studied. The importance was elaborated in the session

A handwritten signature in blue ink, appearing to be "S.D.", located to the right of the stamp.

ATTENTION

"Guest Lecture for TE and BE students"

We are pleased to inform you that, Department of Electronics And Telecommunication is organizing a guest lecture on "Cyber Security and Laws" on 30th July 2019 by Mr. Pankaj Bafna. This lecture focuses on latest issues handled in Cyber Crime and to study cyber laws. All the student of TE, BE and faculties are hereby informed to attend this guest lecture.

Details of the guest lecture are:

Date: 30th July 2019

Time: 10:00 am

Venue: Seminar hall

To,

Mr Pankaj Bafna
Cyber Crime Lawyer

Respected Sir,

Greetings from SLRTCE!

We are planning to organize a guest lecture for Final Year students of **Electronics and Electronics and Telecommunication Engineering** Department to bridge the gap between the Engineering Curriculum and Industry requirements, thus creating the best career prospects for our students.

With this intent we would like to invite you as a speaker for this event on **30th July 2019** at **10.00 am**. Under your guidance students will get acquainted with the recent trends and methodology in current market scenario.

It will be our pleasure if you send your consent within two days so as to enable us to make necessary arrangements for the seminar. We would be deeply honored by your august presence at the event.

Thanking you.

LETTER OF APPRECIATION

Dear Sir,

It gives me immense pleasure to express my profound appreciation to you on behalf of Shree L. R. Tiwari College of Engineering for the seminar conducted by you on "Cyber Security and Laws" for our students.

Your Seminar was an inspiring and rewarding experience for all the participants. It was very well appreciated by our students and faculty members and will immensely benefit them in future.

We appreciate your gesture and hope to receive the same response and support from you in future.

Thanking You,

*Recd.

Narrative Report of Seminar

Title of the Seminar: Cyber Security and Laws

Date/Duration: 30/07/2019

Venue: Seminar Hall

Number of participants: 127

Speaker(s): Advocate Mr. Pankaj Bafna

Designation: Managing Partner at Bafna Law Associate.

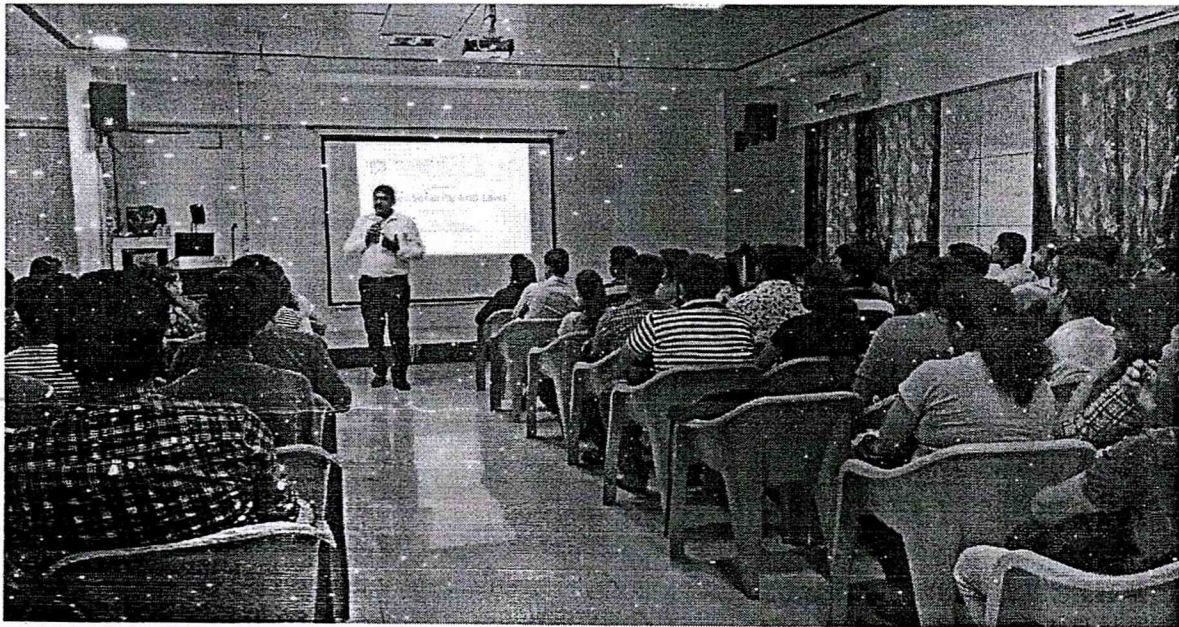

Objectives:

With increasing struggle for placements in the competitive world. To give the statics information regarding the need of Cybersecurity Personnel in almost all organizations; guiding new opportunities to students for becoming a Cybersecurity Personnel.

Target Groups: Final year students.

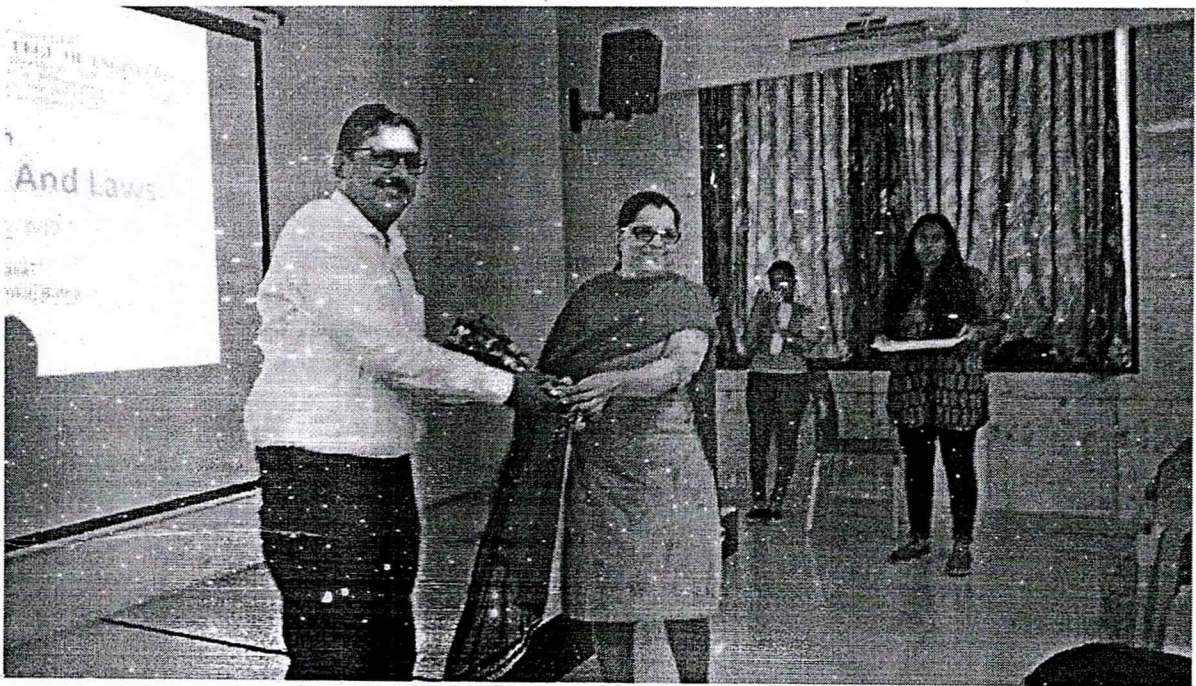

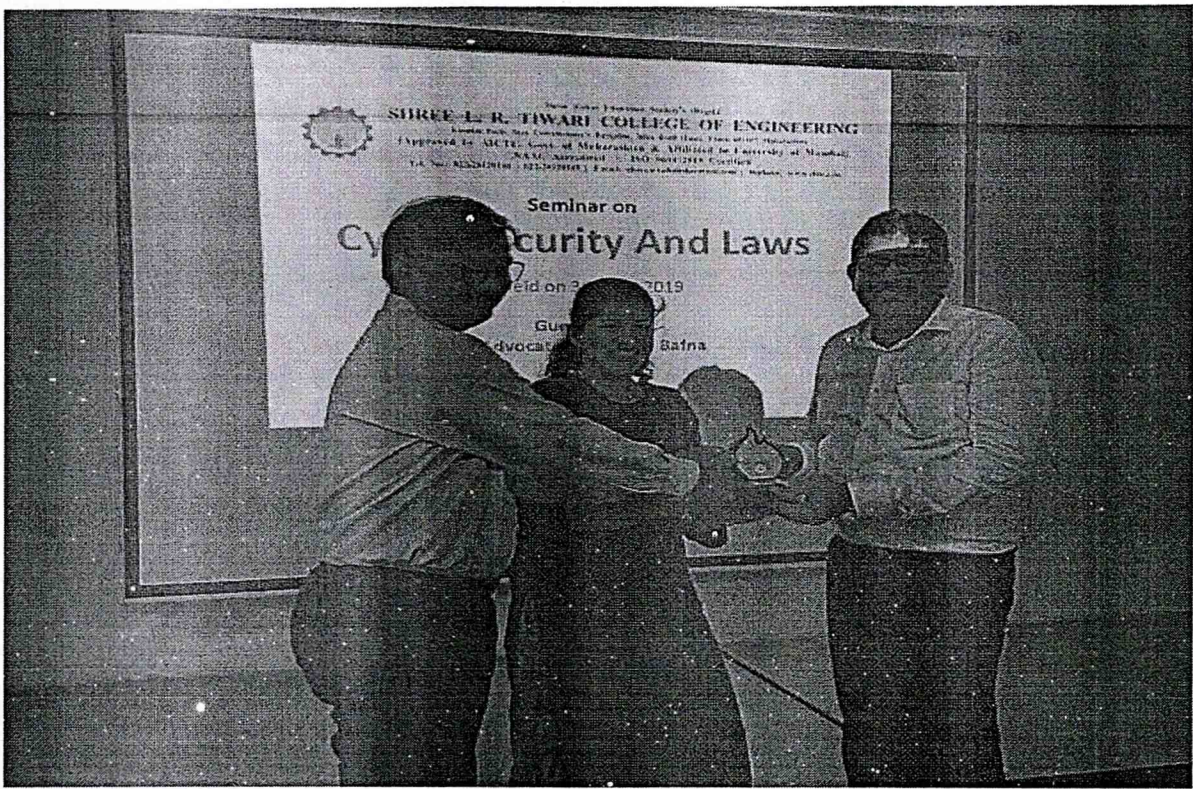

Knowledge acquired by the seminar:

The Importance for cyber security in the present digital world was discussed at large. Student were made aware of various laws pertaining to different aspect of cybercrime e.g. Bank Fraud, Sim Swap fraud, Social media defamation etc. Student were made aware about Different career option in this upcoming field.

DEPARTMENT OF COMPUTER ENGINEERING
(CSI Chapter- SLRTCE)

To,
The Principal,
SLRTCE, Mira Road(East),
Mumbai - 401107.

Pytho

Subject: Request to grant permission for conducting Three Days Workshop on "Basic Programming using Python" in collaboration with FOSSEE, IIT Bombay on 7th Aug, 2019, 8th Aug 2019 and 9th Aug 2019 (Time: 9.00am onwards)

Respected Sir,

I, Dr. Vinayak D. Shinde, Head of Department of Computer Engineering, SLRTCE, would like to take your permission on behalf of the department for conducting two days' workshop on "Basic Programming using Python". Below are the details of the event:

Event name: A Workshop on "Basic Programming using Python". ✓

Objectives of Seminar:

1. To understand importance of Python.
2. To learn Plotting, Lists and Numpy Arrays.
3. To develop knowledge of Control Flows.
4. To understand Core data structures and functions, files, Modules and Exceptions.

Organized by: Department of Computer Engineering

Speaker/Instructor: Mr. Ankit Javalkar, FOSSEE IIT Bombay.

Designation: Instructor, IIT Bombay

Venue: Lab No.312 (3rd floor Computer lab, SLRTCE).

Date: 7th Aug, 2019, 8th Aug 2019 and 9th Aug 2019 (Wednesday/Thursday/Friday).

Time: 9.00am to 5.00pm.

Fees: No Fees

Total no of Student Registration expected: 50.

Total Fees Collection expected: Nil.

Honorarium of Speaker: Nil. One Memento from college. Sreyam mam

Expenses: Rs 350 (For Refreshment).

Amount to college: Nil.

Participants: T.E CS, S.E.CS., T.E. IT, S.E. IT CSI Members, kindly give us the permission to conduct the workshop. Suggest some improvements if you feel there are any shortcomings of this proposal.

Thanking you.

Yours sincerely,

Prof. Rajesh Gaikwad

Syllabus for Three Days Workshop

Basics of Python

- Python Basics.
 - Basic data types: numbers, booleans, and strings.
 - Basic operators: arithmetic, string operators, and string methods.
 - Relational and logical operators.
- Practice exercises for the basics.
- Basic control flow in Python
 - Conditional flow with if/elif/else.
 - Looping with while and for.
 - Using break, continue, and pass.
- Practice exercises for control flow.
- Core data structures in Python.
 - Lists.
 - Tuples.
 - Dictionaries
 - Sets
- Practice exercises for the core data structures.
- Writing functions.
 - Simple functions taking no arguments, returning None.
 - Functions taking arguments and returning values.
 - Default and keyword arguments.
 - Mutable vs immutable arguments.
 - Example functions to read for practice.
 - Nested functions.
- Practice exercises for functions.
- Python modules.
 - Creating modules.
 - Importing modules.
 - sys.path, PYTHONPATH.
 - The use of `__name__`.
- Reading and writing files
 - Reading files.
 - Writing files, using `.write` and using `print`.
 - Example: parsing data from a file.
- Python exceptions
 - Standard exception examples.
 - Catching exceptions with `try/except`.
 - Catching multiple exceptions.
 - Cleanup with `finally`
 - Raising one's own exceptions.
- Practice exercises for files and exceptions.

Dear Coordinator,

As per your request we have created a course for you on Yaksh platform (<https://yaksh.fossee.in>). Please ask the students to register and enroll using the below given details

Course Name: LRTC OE Basics Of Python 07-08-2019
Course Code: lrt0807

Enrollment has already started.

We will be using appear.in for communication. Link: <https://appear.in/fossee19>

If you've any doubts please revert to this mail.

Regards,
Ankit
FOSSEE, IITB

Python Workshop

3 Day Workshop

Duration of the workshop: Full day (9:00 AM - 5:00 PM)

Type of workshop: Remote assisted, hands-on

Coordinators to be arranged by the host institute (recommended coordinator to participant ratio is 1:50)

Instructions for Coordinators:

1. Please arrange a room with projector, laptops or desktops for all participants, speaker system, high speed Internet, power ports, video and audio transmitting equipment. Please note that all participants will need to access the internet in order to answer the online quizzes.
2. Download all the material related to workshop from here:
<http://static.fossee.in/python/Basic-Programming-using-Python/>
3. The downloaded videos are to be projected on the screen as per the schedule attached.
4. Our instructors will be in touch with you throughout the sessions via online browser based audio video conferencing tool <https://appear.in/fossee>. We recommend a separate computer with webcam for this purpose.
5. For Q&A sessions, interaction will be via the coordinator, on the aforementioned platform.
6. All participants should create an account at <http://yaksh.fossee.in>, two days prior to the workshop.
7. Quiz details will be shared during the workshop
8. Buy 20 goodies (like small chocolates, etc.) to be distributed to participants during Q&A session or after the quizzes
9. If possible, arrange an alternate power source such as inverter, generator to counter any power failures

Note: All video files & slides may be shared with the participants **only** after the workshop

Separate instructions for the participants are also given to you. If the desktops are organized/setup by you, please follow the instructions given for the participants.

Instructions for Participants (coordinators should forward this to all participants):

1. All participants should have a working computer to participate in this workshop
 2. Download the 'Canopy' Python distribution for your OS and architecture from here: <https://store.enthought.com/downloads> you may download it for either Python 2.x or 3.x, although 3.x is recommended.
 3. Install 'Canopy' using following instructions: <http://docs.enthought.com/canopy/>
 4. After installation, run the Canopy application once, to complete the setup
 5. If you have downloaded Canopy with Python 3.x then install the following packages, pyqt.
 - a. Launch the package manager from canopy and install pyqt.
 - b. Or launch the canopy terminal (in tools menu) and on the terminal type:
edm install pyqt
- If you have trouble in this step, please get this sorted out on the first day of the workshop.
6. Download the data files required for the workshop from this link:
<http://static.fossee.in/python/Basic-Programming-using-Python/Day1/circulate.zip>
<http://static.fossee.in/python/Basic-Programming-using-Python/Day3/circulate.zip>
 7. During the workshop, you will follow the video lectures being played on-screen and type hands-on
 8. You may ask questions / doubts during the scheduled Q&A sessions
 9. Take part in quizzes after each session. The grades you receive on your certificates will be generated based on these quizzes
 10. Visit <http://yaksh.fossee.in> and register two day prior to the workshop
 - a. You may create a new user account (or)

Report on Workshop	
Particulars	Description
Activity:	Technical
Sub Activity:	Workshop
Activity level:	Inter Department
Title:	Basic programming using Python
Organized by:	Department of Computer Engineering
Venue:	Lab No.311 & 312 (3rd floor ,SLRTCE)
Date:	7th,8th and 9th August 2019
Time:	9.00pam -5.00pm
Objective of event:	The course is designed to provide Basic knowledge of Python. Python programming is intended for software engineers, system analysts, program managers and user support personnel who wish to learn the Python programming language.
Expected Outcomes of event :	Problem solving and programming capability
Targeted Participants :	T.E
Total Participants:	55
Speaker:	Dr. Prabhu Ramachandran. Dept. of Aeronautics of Engineering (FOSSEE, IITB)
List Of distinguished guest present during opening ceremony :	Dr.Vinayak Shinde (H.O.D of department of computer engineering).
List of distinguished guest present during closing ceremony:	Dr.Vinayak Shinde (H.O.D of department of computer engineering)

PRINCIPAL
 Shree L. R. Tiwari College of Engineering
 Kanakiya Park, Mira Road (E).

Content of the activity :	<ul style="list-style-type: none"> • Introduction • Conditional Statements, Looping, Control Statements. • String Manipulation • Collections (Lists, Tuples, Dictionaries) • Functions • Modules/Packages • Input-Output • Exception Handling • OOPs concept • Regular expressions • Database • GUI Programming
Methodology used:	<ol style="list-style-type: none"> 1) Power point presentation. 2) Presentation with notes and comments. 3) Discussion

DEPARTMENT OF COMPUTER ENGINEERING

Ref.No.: SLRTCE/CS/2019-20/ODD/WS-05

Date: 21st August, 2019

03

To,
The Principal,
SLRTCE, Mira Road(East),
Mumbai - 401107.

Subject: Request to grant permission for conducting Two Day Workshop on "Advanced Python" in collaboration with FOSSEE IIT Bombay, on 22nd August, 2019 and 23rd August 2019 (Time: 9.00am onwards)

Respected Sir,

I, Dr. Vinayak D. Shinde, Head of Department of Computer Engineering, SLRTCE, would like to take your permission on behalf of the department for conducting two days' workshop on "Advanced Python". Below are the details of the event:

Event name: Two Days Workshop on "Advanced Python".

Objectives of Seminar:

1. To Exercise Number of Kwarg's.
2. To Introduction to Object Oriented Programming.
3. To Exercise Simplest Decorator (On Yaksh).
4. To List Dict Comprehensions Generator Expressions.
5. To Exercise Max Sin Generator Expression (On Yaksh).

Advanc

Organized by: Department of Computer Engineering.

Speaker: Prof. Prabhu Ramachandran

Designation: Faculty at the department of aerospace engineering, IIT Bombay.

Venue: Lab No.312 (3rd floor Computer Dept., SLRTCE).

Date: 22nd August, 2019 and 23rd August 2019 (Thursday and Friday).

Time: 9.00am to 4.00pm.

Fees: Free for all.

Total no of Student Registration expected: 50.

Honorarium of Speaker: Nil.

Expenses: Nil.

Amount to college: Nil

Participants: CSI Member student who qualify the Test and attended the Basic Python Workshop.

Kindly give us the permission to conduct the Seminar. Suggest some improvements if you feel there are any shortcomings of this proposal.

Thanking you.

Yours sincerely,

Organizing Committee

Prof. Rajesh Gaikwad

Prof Abha Patil.

Mr. Sagar – Laboratory Assistant.

Mr. Bhanu Joshi – Student Coordinator.

Dr. Vinayak D. Shinde

Advanced Python Workshop

2 Day Workshop

Duration of the workshop: Full day (9:00 AM - 4:00 PM)

Type of workshop: Remote assisted, hands-on

Coordinators to be arranged by the host institute (recommended coordinator to participant ratio is 1:50)

Instructions for Coordinators:

1. Please arrange a room with projector, laptops or desktops for all participants, speaker system, high speed Internet, power ports, video and audio transmitting equipment. Please note that all participants will need to access the internet in order to answer the online quizzes.
2. Download all the material related to workshop from here: <https://static.fossee.in/python/Advanced-Python/>
3. The downloaded videos are to be projected on the screen as per the schedule attached.
4. Our instructors will be in touch with you throughout the sessions via online browser based audio video conferencing tool <https://appear.in/fossee>. We recommend a separate computer with webcam for this purpose.
5. For Q&A sessions, interaction will be via the coordinator, on the aforementioned platform.
6. All participants should create an account at <https://yaksh.fossee.in>, two days prior to the workshop.
7. Quiz details will be shared during the workshop
8. If possible, arrange an alternate power source such as inverter, generator to counter any power failures
9. Ensure all participants fill the feedback (<https://python.fossee.in/feedback>).

Note: All video files & slides may be shared with the participants **only** after the workshop

Separate instructions for the participants are also given to you. If the desktops are organized/setup by you, please follow the instructions given for the participants.

Report on Workshop	
Particulars	Description
Activity:	Technical
Sub Activity:	Workshop
Activity level:	Inter Department
Title:	Advanced Python
Organized by:	Department of Computer Engineering
Venue:	Lab No.311 & 312 (3rd floor ,SLRTCE)
Date:	21st ,22nd 23rd and 24th -August-2019
Time:	9.00pam -5.00pm
Objective of event:	<ol style="list-style-type: none"> 1. To Exercise Number of Kwarg. 2. To Introduction to Object Oriented Programming. 3. To Exercise Simplest Decorator (On Yaksh). 4. To List Dict Comprehensions Generator Expressions. 5. To Exercise Max Sin Generator Expression (On Yaksh).
Expected Outcomes of event :	Problem solving and programming capability
Targeted Participants :	CSI Student
Total Participants:	40
Speaker:	Dr. Prabhu Ramachandran. Dept. of Aeronautics of Engineering (FOSSEE, IITB)
List Of distinguished guest present during opening ceremony :	Dr.Vinayak Shinde (H.O.D of department of computer engineering).
List of distinguished guest present during closing ceremony:	Dr.Vinayak Shinde (H.O.D of department of computer engineering)

“ 3D-Printing ”

Title of the Session: 3D-Printing

Date: 8th March 2021

Timings: 10:00am-12:30pm

Venue: Google Meet

Number of participants: 50

Speaker and Designation: Rinku Biswas, CEO of 3 Idea Technology LLP

Objectives:

- 1) Introduction to 3D Printing: Requirements and scope in India
- 2) Introduction to 3D Printing: Tools and Techniques
- 3) Growth of 3D Printing

Target Groups: MECH

Knowledge acquired by the seminar:

3D printing is an additive process whereby layers of material are built up to create a 3D part. There are a variety of 3D printing materials, including thermoplastics such as acrylonitrile butadiene styrene (ABS), metals (including powders), resins and ceramics. 3D printing in India is relatively a new entry in the industry. But, in the past few years, many innovative 3d printers have been launched in the Indian market to increase their popularity and usage among people.

Number of participants: 55

Summary report

Mr. Bahubali Kandale, Managing Director of Technowings International IT Solution, Mumbai has been invited to give seminar on Microsoft certification opportunities in database. Sir has explained various opportunities in database and guided students about certification process. Many advantages of certification like increased Job Opportunities, Gain Recognition in Your Place of Work, Improved Efficiency and Productivity, Enhance Your Credibility and marketability, Stay Current with the Latest Software, Better Teamwork and Collaboration.

Outcome of the Seminar:

Electronics Students are able to understand the opportunities in IT field.

Narrative report of workshop

Title of the Workshop: Drone and Aviation with programming

Date/Duration: 9th and 10th October 2019

Venue: 411

Number of participants: 20

Objective:

Course Content:

2 days' workshop covered the following aspects of Drone:

1. Introduction of Drones
2. Application of Drones
3. Types of Drones
4. Dynamics and Aerial
5. Stability and control
6. Motors
7. Propellers
8. Battery
9. Building instructions
10. Flying instructions
11. Construction of Drone
12. Programming of Drone

Certificates of participation were allotted to the participants. Exam was conducted for the same, along with that the grade certificates were given to the students based on their performance.

ATTENTION

"Workshop for FE students"

We are pleased to inform you that, Department of Electronics And Telecommunication is organizing a workshop on **"Robotics with Programming"** by Mr.Ramzan Naik from iLearnopedia (India). This workshop focuses on latest trends and technologies in Robotics. All the enrolled students of FE are informed to attend the workshop on 18th and 19th October 2019.

Details of the workshop are:

Date: 18th and 19th October 2019

Time: 10:00 am onwards

Venue: 410

LETTER OF APPRECIATION

Dear Sir,

It gives me immense pleasure to express my profound appreciation to you on behalf of Shree L. R. Tiwari College of Engineering for the two days' workshop conducted by you on "Robotics with programming" for our first year students.

Your workshop was an inspiring and rewarding experience for all the participants. It was very well appreciated by our students and faculty members and will immensely benefit them in future.

We appreciate your gesture and hope to receive the same response and support from you in future.

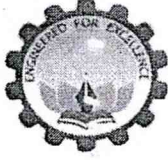

Thanking You,

Yours faithfully,

Dr. S. Ram Reddy
