REPORT ON ALUMNI MEET 2019 – 2020

Alumni's are the pearls of the institute and are the guiding light for the present students, giving them direction towards the world outside college. Alumni Meet helps us to reconnect with the Alumni and celebrate their success and various achievements.

The Alumni Committee along with the help of Student Council of our college has organized "ALUMNI MEET" on 19th October, 2019 in the seminar hall.

Principal Sir, HODs of all departments, members of alumni committee and alumni from all branches were invited for this program.

The meet commenced at 3:00 pm. The pass outs of the institute showed up with an evident flashback falling out of their eyes. They revisited the familiar place where they had studied. They were briefed about the various developments that had taken place since then.

Alumni Co-ordinator Mrs. Neha Jain, other alumni committee members and the General Secretary of our college, Ms. Riya Kalburgi, welcomed the dignitaries (Principal Sir and HODs of all departments) and the alumni's.

Our Principal Dr. S. Ram Reddy, expressed his happiness and thanked all the alumni for responding to the invitation from college and being present for the alumni meet despite of their busy schedule. Mrs. Neha Jain briefed the ongoing progress about the college and requested alumni to provide their financial as well as non financial contribution for the betterment of the college.

The session started with a dance performance by our second year students (ETRX department). It was followed by various games like Tic-Tac-Toe with glasses, where students had to arrange the glasses and whoever did it first was declared the winner of the game and was given prize for the same. After this we had an interactive session with our alumni's where the host of the event invited alumni from various departments to share their experience, thoughts and success stories. Each one of them shared their experiences which turned out to be a learning process for everyone else. For the entertainment of our alumni's there were stand-up comedy and singing events too. Also alumni were invited on stage to dancing and singing in which many of them participated wholeheartedly. We also requested the alumni's to write their experience/feedback/suggestion regarding the function on sticky notes as a sweet gesture. Refreshment was provided for the alumni's, all the participants and committee members.

Before concluding the programme we ensured to take valuable feedback from our alumni's, where they could also give suggestions regarding college or any other important activity related to college.

The objective of this programme was to interact with the alumni, conduct alumni satisfaction survey, plan future events, to identify the outstanding alumni and to take alumni feedback. All the above objectives were met successfully during the meet.

REPORT ON ALUMNI MEET 2018 – 2019

The Utsav Alumni Association of our college had organized "ALUMNI MEET" on 30th March, 2019 in the seminar hall. The alumni meet is conducted every year in order to reconnect with the Alumni and celebrate their success and various achievements. Principal Sir, HODs of all departments, members of alumni committee and alumni from all branches were invited for this program.

The Alumni started arriving in college by 11.00 a.m. and they were received by the registration team from where they were taken on a campus tour and they revisited the familiar place where they had studied and were shown the various developments that had taken place since then. They went to their respective departments too to meet their teachers.

Alumni Co - Convener Mrs. Neha Jain, other alumni committee members and the host of the event, Puneet Solanki, Cultural Head, 3rd year IT, welcomed the dignitaries (Principal Sir and HODs of all departments) and the alumni's.

Our Principal Dr. S. Ram Reddy, expressed his happiness and thanked all the alumni for responding to the invitation from college and being present for the alumni meet despite of their busy schedule.

The session started with a dance performance by our first year students (ETRX department). It was followed by Selfie – Event, basically alumni's took their selfie and posted the same on instagram, at the end of the event whoever had got the maximum number of likes was declared the winner and was given a prize for the same. After this we had an interactive session with our alumni's where the host of the event invited alumni from various departments to share their experience, thoughts and success stories. We had one more dance performance by our second year IT students. For the entertainment of our alumni's the committee members along with student council members had arranged games for them. The winners were given prize for the same. We also requested the alumni's to write their experience/feedback/suggestion regarding the function on sticky notes as a sweet gesture. Lunch was arranged for the alumni's, all the participants and committee members, in the canteen.

Before concluding the programme we ensured to take valuable feedback from our alumni's, where they could also give suggestions regarding college or any other important activity related to college.

The objective of this programme was to interact with the alumni, conduct alumni satisfaction survey, plan future events, identify the outstanding alumni and to take alumni feedback. All the above objectives were met successfully during the meet.
