**NAME OF ACTIVITY: CREATING AWARENESS ABOUT SAVING WATER ON
WORLD WATER DAY**

Description:

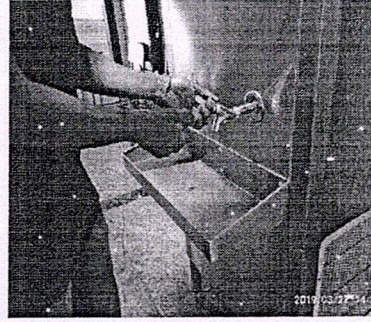

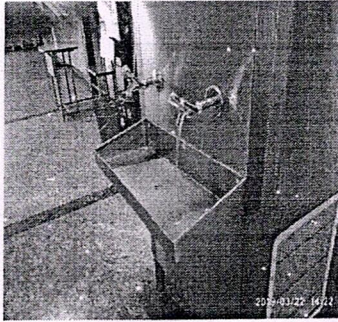

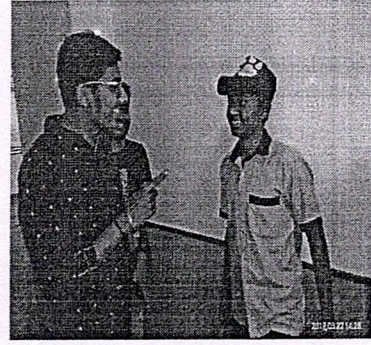

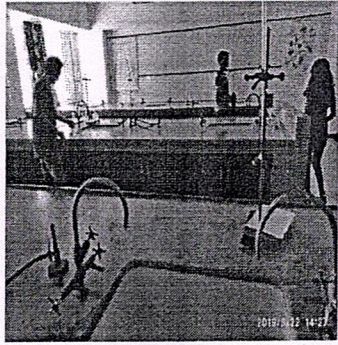

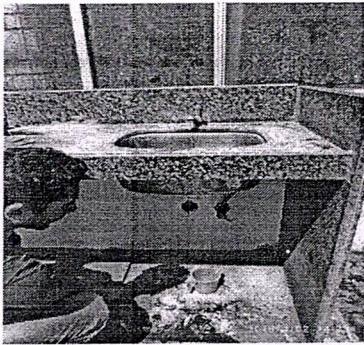

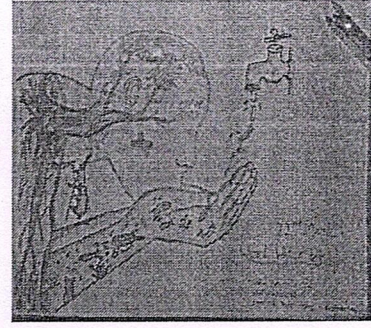

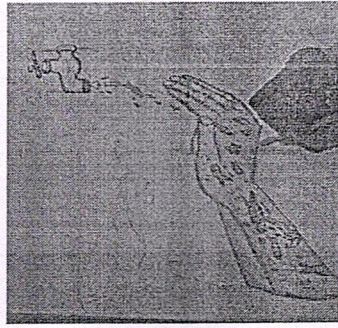

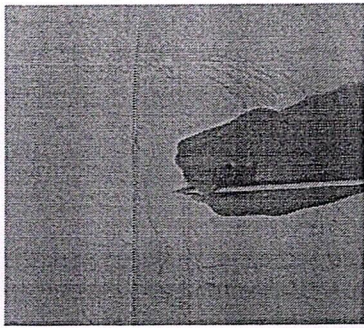

Water covers 71% of the Earth's surface, and is vital for all known forms of life. World Water Day, 22nd March, is an international observance day which is about inspiring people and getting attention on the importance of water. To remind people about the most important element that sustains life on the planet, water. This is the awareness about water shortage, which is rising every day everywhere, and related issues to work on it and make the difference. So on this Day, students of SLRTCE Volunteered to create awareness about saving water and its importance as this global problem of the water crisis is one of the issues which requires immediate action. The challenges other than basic needs include water pollution, inadequate water supply, and water scarcity. Students of SE Mechanical divided themselves among three groups and got spread for creating the awareness. First group covered ground floor and 1st floor, 2nd group covered 3rd, 4th, 5th floor and third group covered new building which is there in SLRTCE premises. Students from each group had taken a survey about the problems like water wastage, leakages and they tried to find the solutions for the problems. Some of the students also interacted with the non-teaching staff by giving speech on importance of Water and its saving. Department of Mechanical Engineering has held drawing competition on the Importance of saving of water for creating awareness among the students.

Name of Activity : Martyr'S Day Peace March

Date of Activity : - 30th January, 2019

No. Of Participants:- 42

Activity Area :- Beverly park

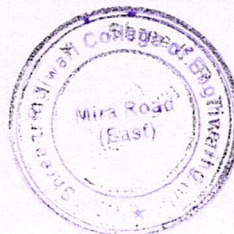

Description: -

Martyrs' Day is observed in honour of those who are recognized as Martyr's for the nation. 30 January is the date observed at the national level. The date was chosen as it marks the assassination of Mohandas Karamchand Gandhiji in 1948, by Nathuram Godse.

In the memory of the veteran soldiers we conducted a peace March from our college to Beverly park which is our adopted area. We marched carrying posters which significantly paid tribute to our soldiers who sacrificed their life for the country. Posters had the significance of all the major wars which India had in the past years and a tribute to Gandhiji. A human chain was formed in the middle of our overall path. We observed complete silence and paid our tribute. The message was clear to all the spectators to not to forget the sacrifices of our ancestors.

Name of Activity : - Surgical Strike day (poster, card, poem) for soldiers

Date of Activity : - 29th September 2018

No. Of Participants: 21

Activity Area : - SLRTCE campus

Description:

To pay our respect to our Indian soldiers who bravely conducted the surgical strike, we pledged our support for the armed forces by writing letters and cards in physical and digital format. We mailed those letters, poems, and articles to the directorate of NSS.

Let me tell you something about life of a soldier,
They are the ones fighting against the agitators,
Working and planning on the activities,
Without enjoying luxurious facilities,
Staying away from their families,
Rising above their anxieties,
Conducting surgical strikes for the nation,
By planning different strategies in combinations,
Getting killed for the country,
Proving all their abilities,
Letting the terrible shots of bullets in,
With all their strength they want to scream,
But the thought of being sacrificing their life for the country comes in their mind,
That's the point when they shine,
Body flooded with red blood,
Sinking themselves into the mud,
Soil of the nation is what makes them feel more powerful,
The traditions and cultures makes this all more masterful,
Showing that as a nation we are strong,
This is my nation, This is the place where we belong

SURGICAL STRIKE

सच है, विपत्ती जब आती
कायर को ही दहलाती,
सुरमा नहीं विचलित होते,
क्षेत्र एक नहीं धारज खोते,
विघ्नों को यत्ने लगाते हैं,
कार्यों में राह बनाते हैं।

NAME OF ACTIVITY: YOGA PRACTICE AND ENROLLMENT

Date of activity: 4th August 2018

No. of participants:20

Activity area: SLRTCE campus

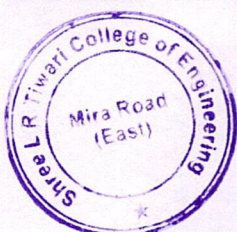

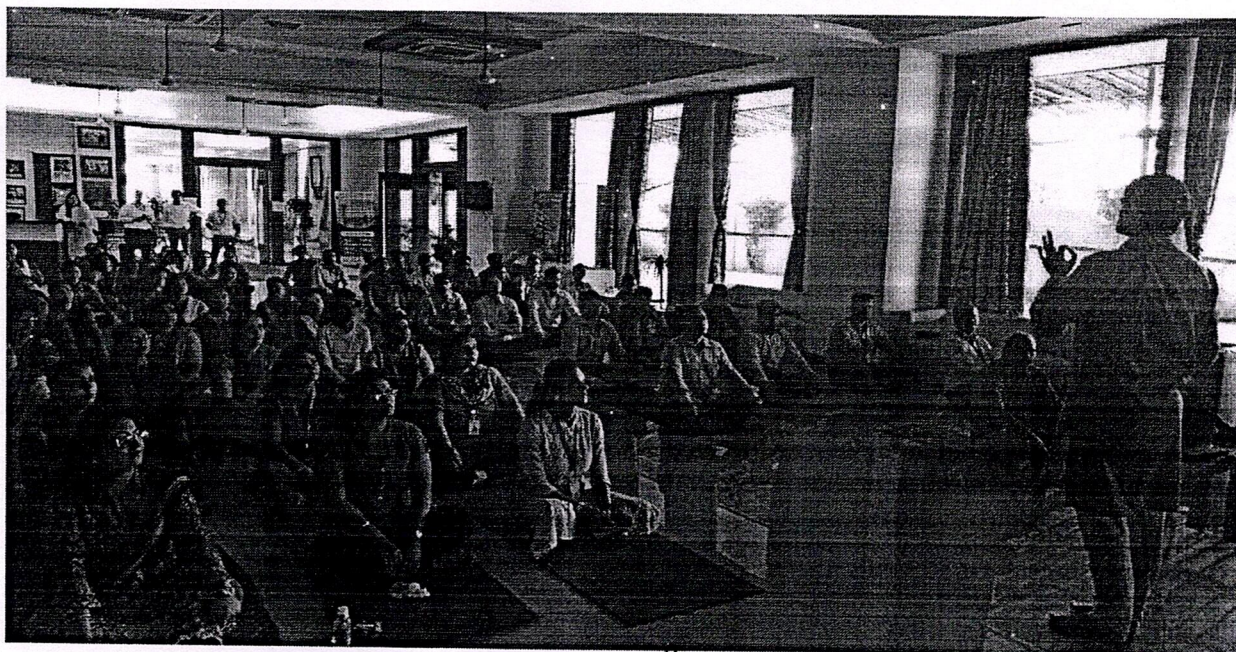

Total hours: 3 HOURS

Description: On 4th August,2018, we performed the “YOGA” activity on the college campus. Yoga is an ancient physical and spiritual discipline and branch of philosophy that originated in India reportedly more than 5,000 years ago. Regular practice of yoga has benefits like increase in flexibility, muscle strength and tone etc. It also helps in weight reduction, cardio and circulatory problems.

The event started with the boosting welcome of freshers. Welcome arena was surprising as the first task of freshers was updated simultaneously with the power of yoga. The Yoga Practice event was attended by our Principal Dr. S Ram Reddy sir, PO and other teachers. All the teachers including freshers and all NSS students along with Principal sir performed all yoga *asanas* with full enthusiasm. Just practicing yoga once is not enough. It has to be practiced daily so we would be trying to do yoga regularly and also spread awareness of the benefits of doing yoga to everyone.

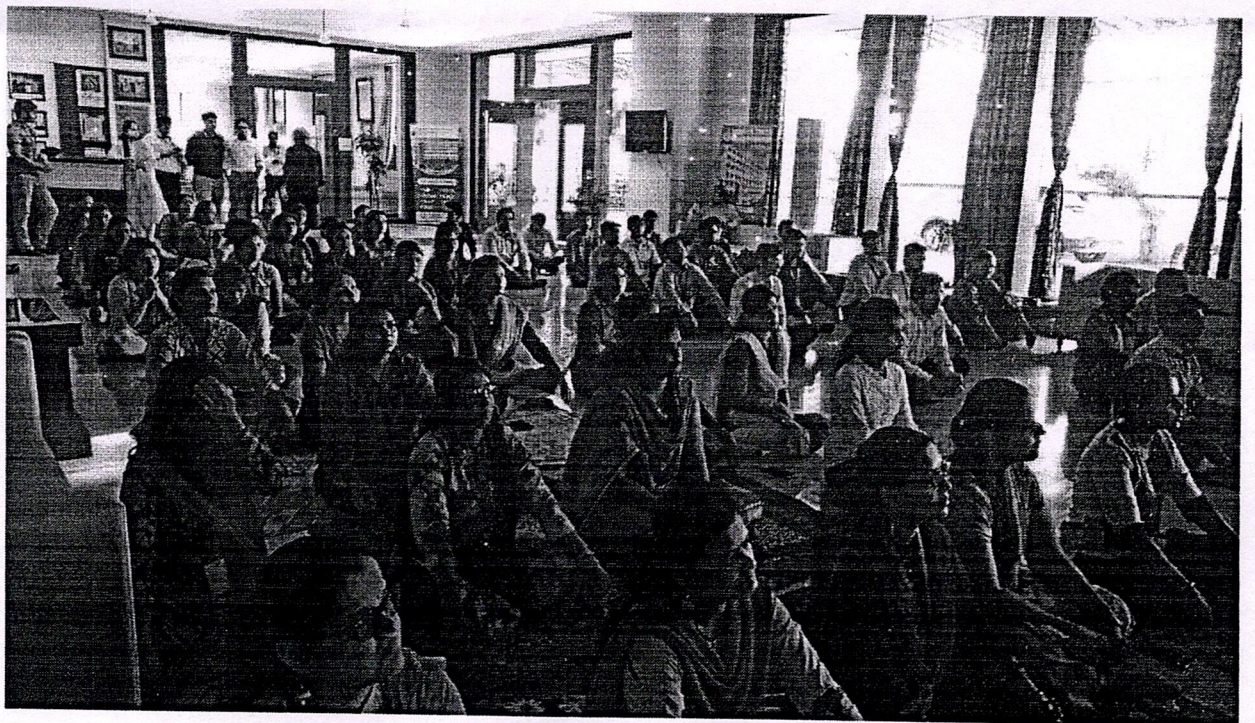

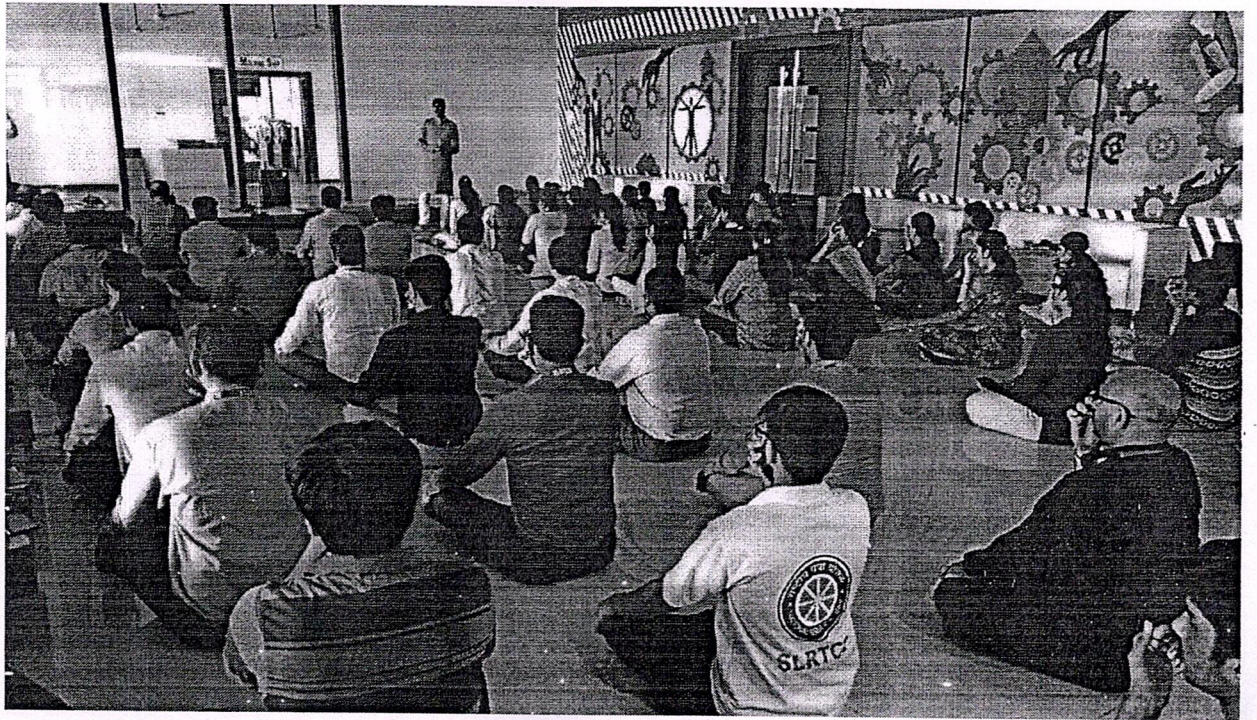

With this we conclude “Yoga is a light,which once lit,will never dim. The better your practice ,the brighter your flame.”

NAME OF ACTIVITY: Fresher's Orientation

Date of activity: 2nd August 2018

No. of participants: 40

Activity area: SLRTCE campus (Seminar Hall)

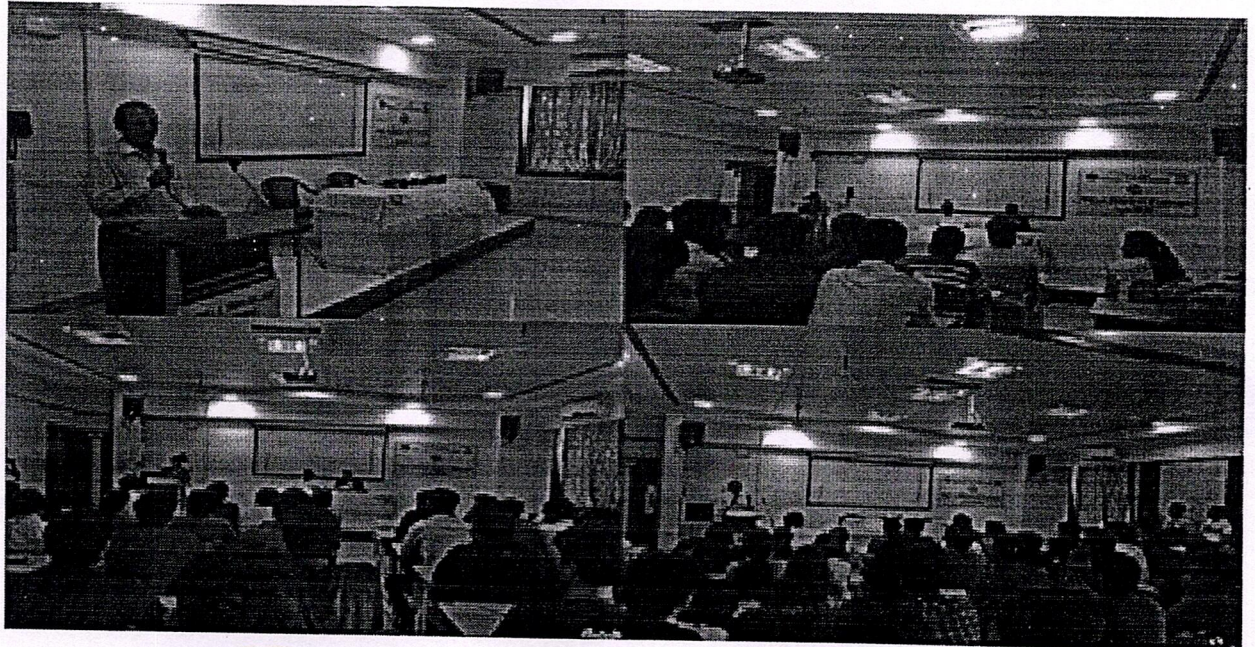

Guest Speaker: Dr. S B Singh (Director, SLRTCE)

Description:

The Orientation was attended and inaugurated by Dr. S Ram Reddy (Principal -SLRTCE) and the session was hosted by Dr. S B Singh, director of SLRTCE. He enlightened the fresher about the principles, ethics, attitude and discipline needed and they will be developing in NSS. He himself has been a Program Officer for different colleges and has a vast experience of 18 years in it. He shared his experiences which helped the candidates to gain the overall idea of the stuffs they will be doing in the coming time in NSS. The work hours, special camps and other mandatory activities to attend were elaborately explained by him. He also asked the candidates to work and explore on the latest trending topics and use technology to find the solutions to the problems. His words were definitely encouraging and his experience will definitely guide all the volunteers of NSS in the right direction.

Personal Interview was conducted by the Student Leaders and Program Officer and the best 9 were selected on the basis of their skills.
