Activity Area : McDonald Signal

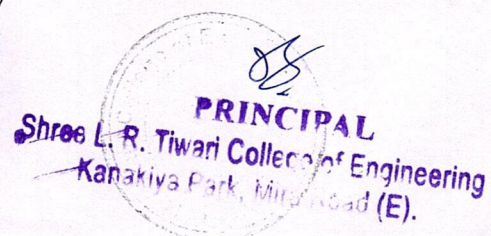

Description:

Traffic management is the need of this age of vehicles. Use of helmets and following traffic rules and regulations is mandatory. Our NSS unit conducted a helmet drive on Mira- bhayander highway opposite McDonald's. We wore helmets, formed a human chain and held up posters written with various road safety quotes. We cheered various slogans for the ongoing traffic to hear. Slogans were on subjects such as regular use of helmets, driving within speed limit, saying no to drinking and driving, etc. We not only grabbed people's attention but also their response. Many bikers wore helmets after watching our drive and many slowed down to appreciate our efforts. It was a successful helmet drive indeed.

Description:

As we all know Kerala has been struggling very hard because of the devastating floods of all time and many steps have been taken all across India to provide help in various forms. Henceforth we organized a Donation Drive in college. The list of required items was circulated in the form of a message; also volunteers went in each class to increase the participation. All the collected material was first segregated and packaged properly in their individual boxes. All the clothes collected were distinguished by the volunteers as shirts/t-shirts/pants/maxi/sarees/kids etc. so it would be easy to identify the material in the box before opening it. We also made provision for those who wanted to donate in terms of money. The amount collected was 22,980/- which was used to buy Groceries of 7080/- INR, Undergarments of 4800/-INR and the remaining amount was spent on Tarpaulins, Maxi and Lungi's. The donated material was transported to Kerala with the help of a NGO - Goonj

Human trafficking has become a global threat to women, children and vulnerable citizens world wide. To address this sensitive issue, the NSS unit of SLRTCE organized a seminar to aware, to display the current scenario and the steps to be taken to eradicate human trafficking globally.

The seminar was conducted by Mr.Nishant Jha, who has been doing research and working on this cause for the last 9 years. He gave us the unfiltered scenario that human trafficking is highly organized and lucrative business and that the statistics of sex trafficking from prostitution industry has increased exponentially in these last few years. He explained that people working in the prostitution industry are none other than the victims who are trafficked for sexual exploitation. Also, these enslaved victims are withheld and it is extremely dangerous and difficult to escape from this slavery.

He gave us the right direction to approach people in need and the correct method to handle sensitive situations. He also shared a helpline which can be reached in any case of emergency and distress. This seminar was concluded by an interactive session were Mr.Nishant Jha answered and tried to give practical solutions to our queries.
