1.	2021-22	INTERNATIONAL WOMEN'S DAY CELEBRATION

NAME OF ACTIVITY: **INTERNATIONAL WOMEN'S DAY CELEBRATION**

Description:

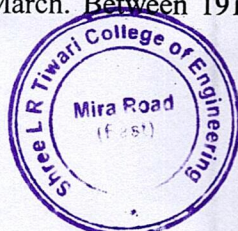

Women are strong, powerful and invincible. With thousands of mantras encouraging women's existence every day, a special day is indeed a necessity to celebrate women's achievements in all aspects of life. Whether she's a teacher, homemaker, economist, engineer or pioneer, women have been making the world a better place with their infinite strength, determination and belief. With power enough to shatter the shackles of patriarchy, women are rising above societal hurdles every single day, making them a stronger force to reckon with, in modern times.

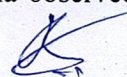

This International Women's Day, we are celebrating and rejoicing the social, economic, cultural and political achievements of women all over the world. The day also marks a call to action for accelerating gender parity. As all women come together, significant activity is witnessed worldwide to celebrate women's achievements or rally for women's equality.

Every year, March 8 is celebrated as International Women's Day. This year, the goal is to create a gender-equal world. It is about celebrating a woman's success and raising awareness against bias. So we all should choose to 'challenge' to bring the change. The hashtags for this year are #ChooseToChallenge and #IWD2021.

History:

It was during 1908 that there was an ongoing critical debate amongst women regarding their oppression and inequality. The campaign for change started to become more vocal when 15,000 women marched through New York City demanding shorter hours, better pays as well as voting rights. In 1909, the first Women's Day was observed across the United States. In 1910, an International conference of working women was held in Copenhagen. That's where the idea was proposed by Clara Zetkin, a leader of the Women's Office for the Social Democratic Party in Germany. In 1911, International Women's Day was honoured for the first time in Austria, Denmark, Germany and Switzerland on 19 March. Between 1913 and 1914, women in Russia observed their first

Women's Day on February 23. Later, it was decided that March 8 can be the globally accepted day to celebrate IWD. International Women's Day was celebrated for the first time by the United Nations in 1975.

Celebration:

To commemorate this occasion, the SLRTCE ISREW Committee organised a Teachers Day Event on March 8, 2021 (during the University of Mumbai's Mid-Term Break). Our ISREW committee members gave a brief speech on Women's Day at the start of the programme. We gave roses to our teachers and Maushi as a token of our appreciation, grace, and joy that they bring into our lives in various ways. Then some amusing activities were planned, such as a round of humorous questionnaires for all of the teachers. It was a lot of fun and the teachers enjoyed learning new things about each other. Finally, Mr. Rahul Oza sang a song for the lovely ladies up there, and the programme was effectively concluded in this manner.

BLOOD DONATION ACTIVITY

NAME OF THE ACTIVITY :-BLOOD DONATION ACTIVITY

DATE OF THE ACTIVITY :- 1st March 2021

NO. OF PARTICIPANTS;-40

EVENT COORDINATOR :- Ms. Menka Singh

VENUE:- Shree .L.R.Tiwari College of Engineering

TIME;- 9:30 am onwards.

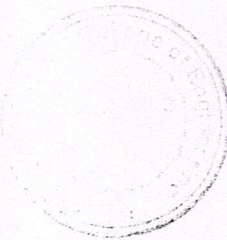

A Blood donation camp was organized by our college's NSS unit, in collaboration with Nair Hospital, Mumbai, through which more than 35 units of blood was donated by both students and the staff members of our Shree .L.R.Tiwari College of Engineering college. It is a way of Shree .L.R.Tiwari College of Engineering college, Mumbai gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing people at the camp our NSS volunteers brought awareness to them about the shortage of blood and why we must donate blood every year, to help the persons requiring blood. It was held in the college seminar hall. All the preparations such as arrangement of beds, sanitation etc were made. A team of doctors and nurses from the Nair hospital had reached in time.

Each and every donor was enthusiastic about donating blood. Firstly the candidates were to take a small hemoglobin test to know whether they are eligible to donate the blood or not and then they had to register their name and fill in a few important details of themselves. They were laid to bed with a soft ball in their hand. Then the process of extracting the blood off the body started. The process took more than half an hour. After it, every donor was given coffee and snacks and specific rules and precaution to be followed after the donating the blood.

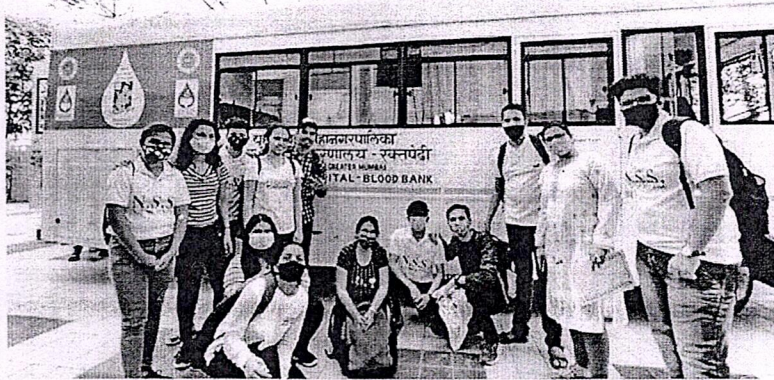

The Blood donation Camp continued till 3:0 pm. The donors were also handed over the Certificates. Even in this pandemic situation volunteers and donors actively participated and we were able to make it a success by collecting around 30-35 bags of blood.

Since its inception in the year 2015, June 21st is celebrated as The International Day of Yoga all over the world. This idea was proposed by our Prime Minister, Mr. Narendra Modi. He said, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and nature. By changing our lifestyle and creating consciousness, it can help in well being.

International Yoga Day was celebrated by the volunteer and teachers at home itself due to the pandemic of covid-19 with great enthusiasm. Volunteers of Shree L. R. Tiwari of engineering demonstrated various asanas followed by Omkar chanting. Warm up exercises were taken and the students performed sitting and standing asanas and they have also captured every moment by clicking the pictures and sharing those pictures in respective groups. Even those pictures were posted on the Instagram page of slrtce nss to aware people the importance of yoga.

Regular practice of yoga will surely help the students achieve a better life, physically, mentally and spiritually as well.

HIV-AIDS is a major threat to humanity in the world especially in developing countries.

Globally millions of people are suffering from this disease. Adolescents of developing countries have partial knowledge about HIV/AIDS.

There was a detailed discussion about how the global HIV-AIDS situation for adolescents is deadly serious, and the need for a stronger, focused response is urgent.

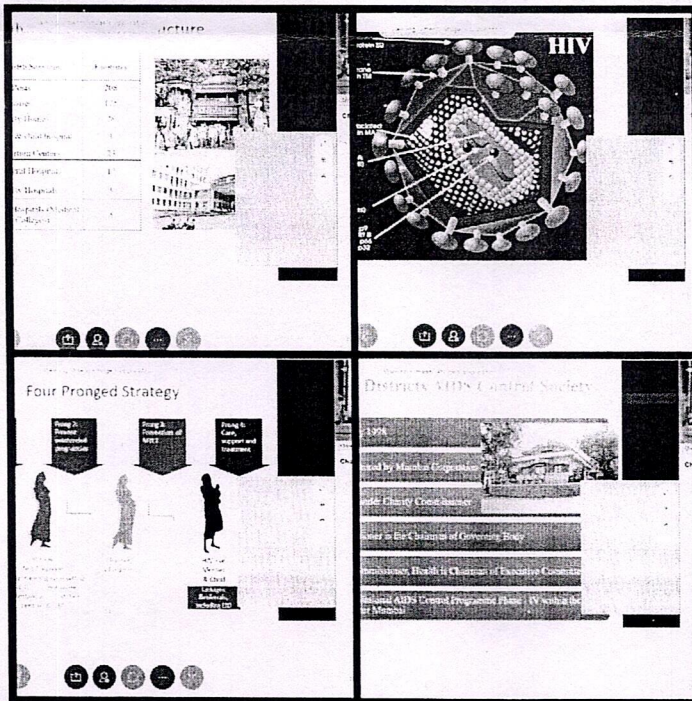

An estimated 11.8 million young people aged 15-24 are living with HIV-AIDS. Moreover, about half of the 6000 new infections each day occur among young people.

There is no single solution - no "magic bullet"- to prevent HIV-AIDS.

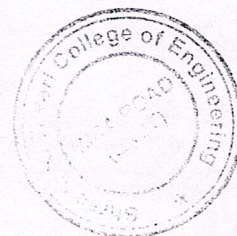

Conclusion:

Through the conclusion that the 'Role of NSS in the prevention of HIV-AIDS among adolescents. This webinar has made the volunteers realize the importance of awareness and the lack of this issue on national and global level. This webinar has set a base towards a better vision on creating awareness on HIV-AIDS. The volunteers have received an e-certificate after the webinar.

SPEAKER:SUHAAS PANDEKAR

The webinar was organised for creating awareness among volunteers of NSS towards Organ donation and to discuss the importance of this topic.

- 1) Organ donation can give a new life to a person who needs an organ to be well.
- 2) Every year 5 lakh organs are required across the country but the availability is very minor comparatively.
- 3) According to reports the recognized availability of organs in the last 20 years is just 2475.
- 4) 1 full body organ donor can help upto 8 other people.

There was a detailed discussion about the types of organ donations and the options available in medical fields. Explanations on eye donation, skin donation and whole body donation and the actual usage of organ parts were made. Some organizations that would help the volunteers towards organ donation are Mohan Foundation (Multiorgan harvesting network) were mentioned in the webinar.

This webinar has made the volunteers realize the importance of organ donation and the lack of awareness about this issue in our country. This webinar has set a base towards a better vision on creating awareness on organ donation. The volunteers have received an e-certificate after the webinar.

SHREE L.R. TIWARI COLLEGE OF ENGINEERING NSS UNIT

Name of activity: Celebration Of 100th Death Anniversary Of Lokmanya Bal Gangadhar Tilak And Birth Anniversary Of Annabhau Sathey.

Date of activity : 1st August 2020

No of participants : 32

Venue/Mode : Youtube Live Session

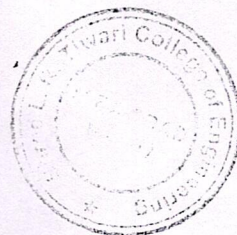

Time : 11:30 AM Onwards

On 1st August 2020, all the NSS volunteers of our unit Participated in the live session organized by the "NSS cell ,University Of Mumbai" through Youtube.

The program started with the National Anthem and the introduction of the program was given by Mr. Nitin Arekar. On this day a video clip was played which introduced us with the works of Lokmanya Bal Gangadhar Tilak and Annabhau Sathe. The information in the clip is as follows, Tilak was an inspiration for all the Indians who were under the British rule due to him people started revolting against the British rule and created an unrest among them. Tukaram Bhaurao Sathe popularly known as Annabhau Sathe born on 1st August 1920 was a social reformer and poet from Maharashtra. He wrote approx. 35 novels, 13 collections of short stories and a few plays. He was first inspired by communism but later became Ambedkarite. In the memory of Lokmanya Bal Gangadhar Tilak And Annabhau Sathe Mumbai University along with Savitri Bai Phule University, Pune will be organizing various programs throughout the year for the benefit of teachers and students as said by Mr.Nitin Arekar.

On this day Mr. Suhas Pednekar, Dr. N.R. Karmalkar, Mr. Uday Samant, Uddhav Thackeray Hon'ble Chief Minister Of Maharashtra, Devendra Fadnavis Hon'ble Former Chief Minister Of Maharashtra and many other respectable personalities delivered short speech and made this day memorable. The overall session was great and worth the time, we thank the managing comity for organizing such a

WEBINAR PRESENTER :- 1)Cyril Gaikwad

2)Karan Desai

3)Rohit Dalvi(from GETL)-Training partner for training session.

Our college NSS unit organises a webinar on road safety and traffic management. to educate volunteers about methods and measures used to prevent road accidents and injury. In this webinar we received lot of information related to 2 wheeled vehicles like:-

1)What all important points we should keep in mind while buying a two wheeled vehicle and
2)What all measures we should take before buying a helmet like we should always buy a full face helmet and how to wear it.

3) Different types of safety guard we should wear while riding a vehicle.

4) Webinar also provided information related to different types of road safety signs and road connections.

5) We should always stay away from blind spots and maintain a safe distance from other vehicles.

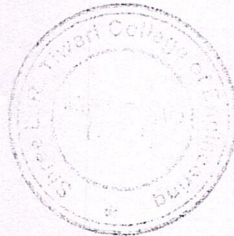

6) Makes us aware about the different types of obstacles and hazards riders face on the road by showing us different types of road accident videos.

7)Never overtake at junctions, timely servicing of vehicles , proper gearing, insurance of vehicles and many more.

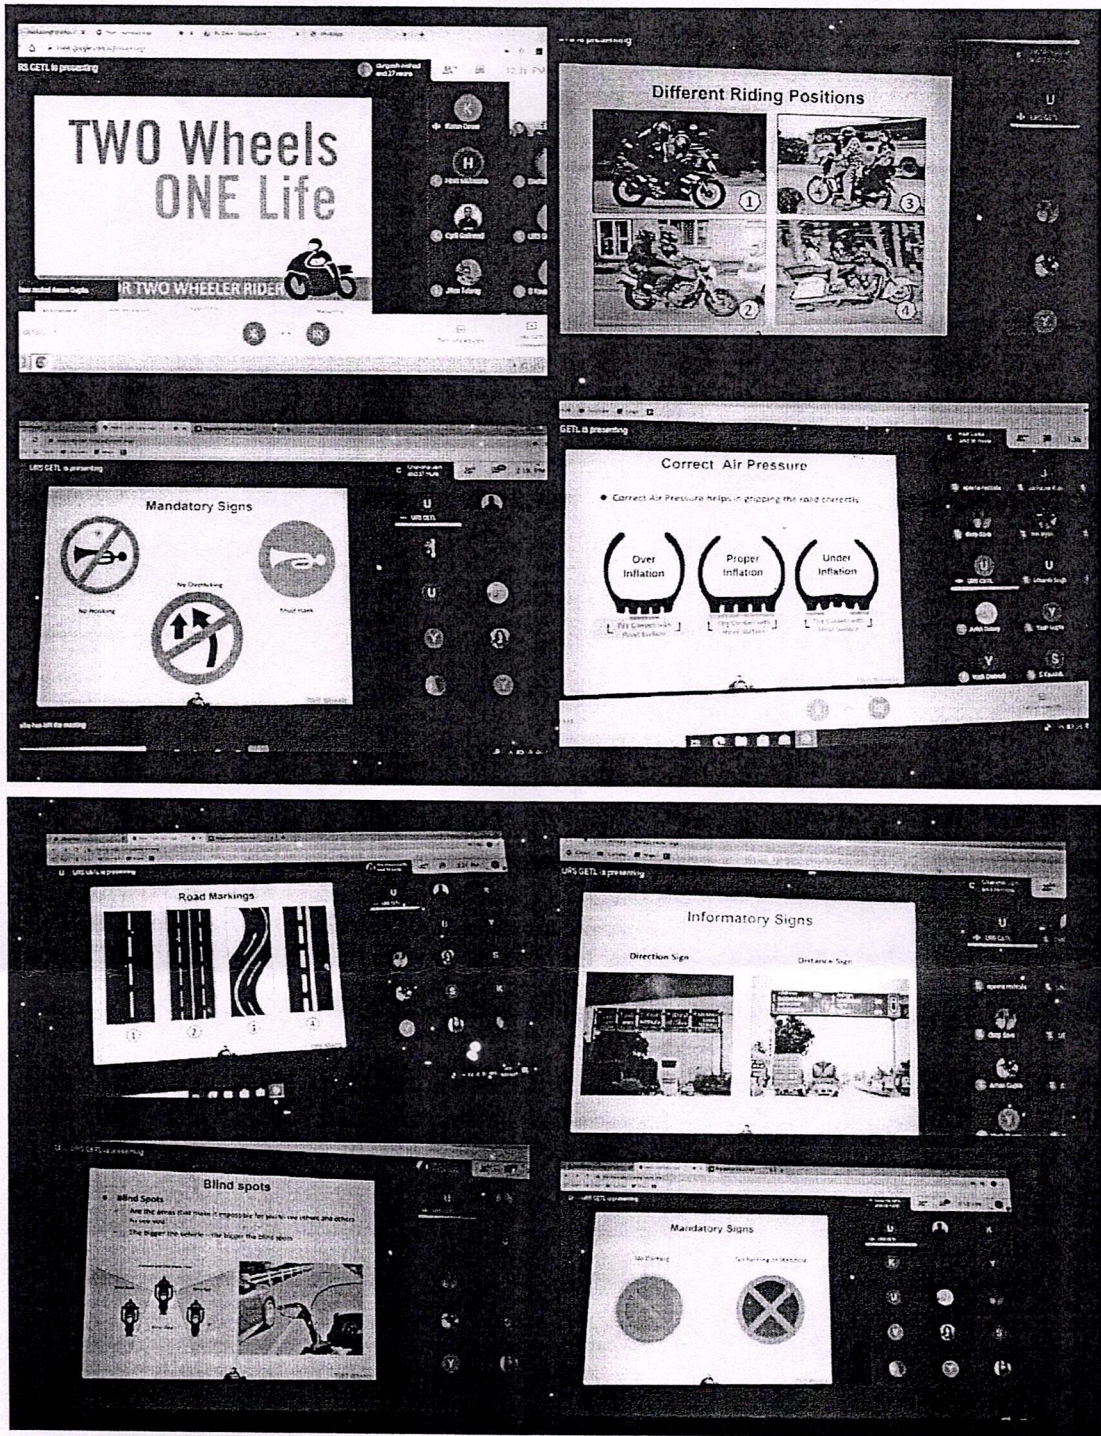

Due to this webinar all the doubts related to road safety among the volunteers got cleared. Volunteers also gave a pretest before the commencement of webinar and also a post test after completing the webinar for which they received a E-Certificate.
