**NAME OF ACTIVITY: NATIONAL VOTER'S DAY**

**Date: 25 January 2022.**

**No. Of Participants : 32**

**Description:**

**The Vote is precious. It is the most powerful nonviolent tool we have in a democratic society, and we must use it.**

The motive for the conduction of an event on the occasion of National Voter's Day started with these words. Voting is an another responsibility of citizens. The law does not require citizens to vote, but voting is a very important part of any democracy. By voting, citizens are participating in the democratic process. Citizens vote for leaders to represent them and their ideas, and the leaders support the citizens' interests. Electoral and voting systems are a vital link between citizen participation and democratic representation, and provide the mechanism for free and fair elections and political change. Sound electoral systems empower representatives to make decisions on behalf of others and confer legitimacy on governments. An election is a way people can choose their candidate or their preferences in a representative democracy or other form of government. There are different ways to organize an election in different countries. Voters might vote for an individual, or they might vote for a political party (party list).

Team NSS organized a webinar on the occasion of National Voter's Day, For the young upcoming generation and for those who don't understand the importance of voting. This was a live webinar NSS committed to spotlight on the importance of voting in a democratic society.

2021-22	Yearly Donation Drive

**NAME OF ACTIVITY: Yearly Donation Drive**

**Date: 15<sup>th</sup> September 2021.**

### Description:

**One person can make a difference so think about what everyone can do!**

The Motive for the Yearly donation drive started by admiring these words. This year has been difficult for all of us, still with our family it makes it a little easy for us to strive through this Pandemic. But what about those who are still striving alone. Hence, on the occasion of Engineer's Day, Team ISREW took a pledge to help underprivileged children every year. We cannot really fulfill the absence of their Kin but we can at least try to bring smiles on their beautiful faces.

On the occasion of Engineer's Day, Team ISREW made the financial aid of Rs. 11,111 from the Staff of SLRTCE and donated the said amount and a little amount of stationaries to the underprivileged children of the orphanage named "Ankur Children's Home" located at Mira Road.

### Conduct of event:-

With the permission and guidance of Principal Sir and ISREW Convener Amarnath Sir, ISREW team was able to conduct this activity.

The activity started by collection of donations from SLRTCE Staff. Every member of ISREW volunteered for going to the college and collecting donations from Students and teachers of their

respective branches. Team ISREW got a quite great response from staff and students which resulted into the collection of some kind and an amount of Rs. 11,111. On Engineer's day i.e September 15<sup>th</sup>, ISREW Co-convener Aditya sir along with Prajakta ma'am and few students (Varsha, Darshana, Nivedita, Sarthak) visited the Ankur Children's Home. The amount and the stationaries were handed over to the orphanage staff. To add some flavor to this donation drive, few Chocolates were distributed by ISREW team to those beautiful kids.

ISREW committee went with a handful of money for Ankur but ended up bringing plenty of blessings and smiles. These blessings and smiles have given ISREW a great satisfaction and more inspiration for conducting many more activities as such.

It was great experience and pleasure helping those underprivileged children. The children's smile and their blessing were the best gift for us on Engineer's Day.

**NAME OF ACTIVITY: GURUPURNIMA CELEBRATION**

**Date: 23 July 2021.**

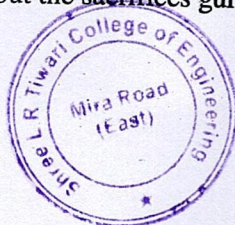

### Description:

**Guru Purnima (Poornima)** is a tradition dedicated to all the spiritual and academic Gurus, who are evolved or enlightened humans, ready to share their wisdom with no monetary expectation, based on Karma Yoga. It is celebrated as a festival in India, Nepal and Bhutan by Hindus, Jains and Buddhists. This festival is traditionally observed to honour one's chosen spiritual teachers or leaders. It is observed on the full moon day (*Purnima*) in the Hindu month of *Ashadha* (June-July) as it is known in the Hindu calendar. The festival was revived by Mahatma Gandhi to pay tribute to his spiritual guru, Shrimad Rajchandra. It is also known as Vyasa Purnima for it marks the birthday of Veda Vyasa, the sage who authored the Mahabharata and compiled the Vedas.

SLRTCE ISREW committee celebrated this occasion to honour and show gratitude towards their respected teachers who have helped them to grow not only in their educational journey but as a person too with their valuable inputs regarding life.

### Celebration:

The event started by a beautiful speech by Nivedita about the history and importance of guru's. Then Darshana followed by explaining a *doha* by Saint Kabir about why guru's may act strict at times and their determination towards their *shishya*'s success. Anupama further explained the importance of guru in her articulate speech. Usama followed by a very meaningful poetry about the sacrifices guru's make in their lives.

The event also had a questionnaire round which included some interesting and fun questions. Dhiraj sir shared their journey leading towards being a teacher as profession. Vinayak sir shared how curious and interested in learning they were as a student. Rajesh sir brought us back to their college days and how they lived in a mini India with classroom full of students from each part of India. Hemangi ma'am shared funny incidences about students buttering them and how teachers won't fall for it.

Varsha and Sarthak hosted the event with their lively spirit and then the event was concluded by Nivedita.

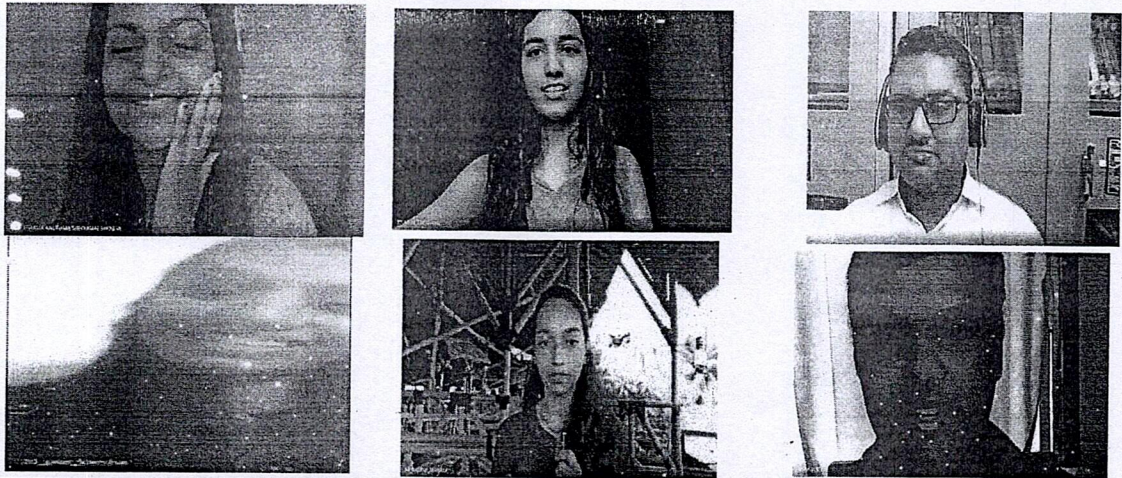

Due to the COVID-19 pandemic, the event was commemorated online through google meet, some of the shots from the event are included below,
