## 7.1.4 b. Institutional efforts/initiatives for Sensitization of students and employees to the constitutional obligations: values, rights, duties, and responsibilities of citizens

### Summary:

The role of educational institutions is to promote a sense of responsibility among students to restore democracy and socialism. SLRTCE shoulders the responsibility to sensitize its students and employees to the constitutional duties and fundamental rights. Apart from providing technical education, the institution believes in emerging worthy citizens for the country who could serve the nation with their knowledge and provide a great deal of social services required to raise the standard of society as a country.

SLRTCE always stays proactive to contribute to the larger education system of the country by evolving new practices beyond curriculum activities for the all-round development of the students.

**Social Help through Activities:** Community help programmes includes activities: Paper bag making and distribution, Donation drives, Traffic Police assistance, Blood Donation, Organ donation. These activities are organized to engage students in social activities and provide ample opportunities and platforms to socialize them and make them aware about prime issues existing in the country.

**Awareness programme:** Road Safety awareness programme, Voter ID Awareness programme are the activities that help spread awareness among people about social norms and standards.

**Cell/ Unit Responsible:** SWDC (Student Welfare and development Cell)
