This was followed by a presentation on NSS by our Program Officer (Prof. Menka Singh). This enlightened the fresher's about the principles, ethics, attitude and discipline needed and they will be developing in NSS.

Our Program Officer and Neela Ma'am shared their experiences which helped the candidates to gain the overall idea of the stuffs they will be doing in the coming time in NSS. The work hours, special camp and other mandatory activities to attend were elaborately explained by them. Their words were definitely encouraging and their experience will definitely guide all the volunteers of NSS in the right direction.

## NAME OF ACTIVITY: TREE PLANTATION DRIVE

Date of activity: 31<sup>st</sup> July 2019

No. of participants: 59

Activity area: SLRTCE Campus

Total hours: 2

### Description:

On 31<sup>st</sup> July 2019, we had organized "Tree Plantation Drive" in the college campus. Our NSS volunteers actively participated and co-operated for glorious tree planting event.

Trees are not only the source of fodder but also the essential source of oxygen which reduces the level of CO<sub>2</sub>. As we all are aware that the whole world is facing problems like increase in global warming and pollution, which can be reduced by planting more and more trees. In addition to this, trees give us the beautiful landscape and helps in the ecological balance of the nature.

We started our work with allotting the spots for the saplings to plant. While digging spots for saplings, we ensured there is no excess water accumulation which will help to encourage their growth. In-spite of heavy rains, volunteers sustained and planted all the saplings with care within 2 hours. We successfully planted 50 saplings that included species of tulsi etc. Our PO (Prof. Menka Singh) guided us and encouraged the volunteers. We will make sure we take care of the saplings, until they are self-dependent for the growth.

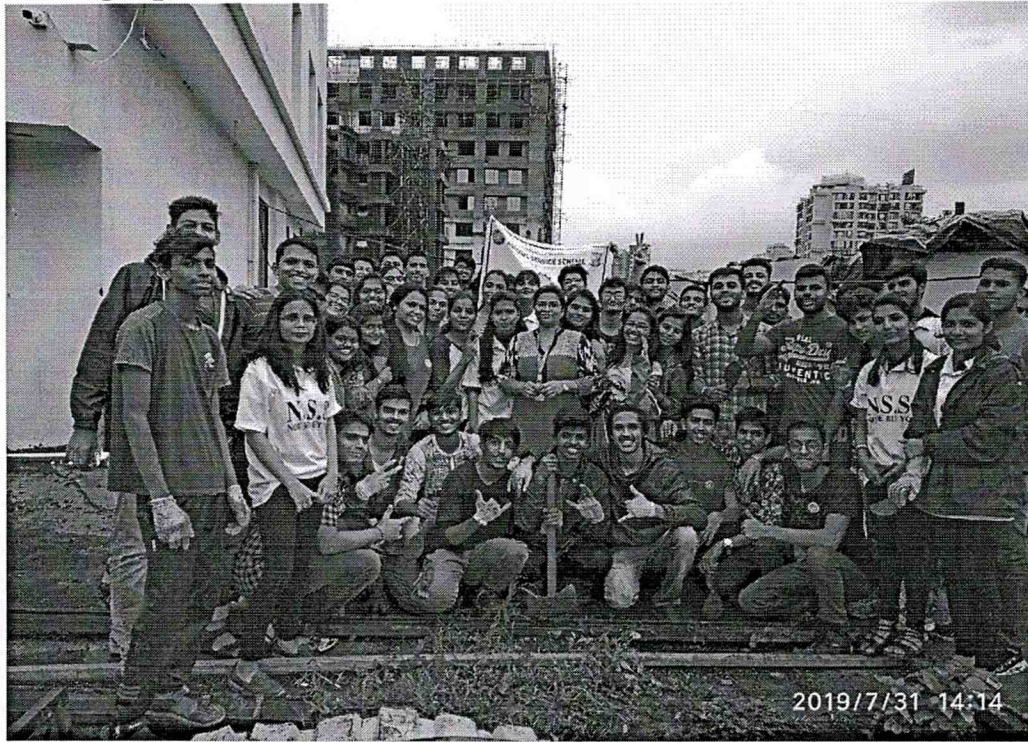

With this we conclude "The more love we offer a plant while planting, is the more love it returns after it matures."

**Name Of Activity:** Book Donation Drive(Visit to adopted Village)

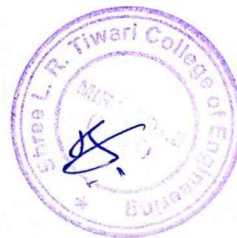

**Date of activity:** 14th August, 2019

**No. of participants:** 45

**Activity Area:** ZP School, Rajawali

**Description:**

When you give someone a book you don't just give him/her a paper ink and glue, you give that person a possibility of a whole new world. And hence we, the NSS unit of Shree L R Tiwari of Engineering conducted a Book Donation Drive in our College to setup a library in our adopted village's ZP School, Rajawali. We circulated messages and made sure that everyone's aware of the donation. We had an amazing response, many students and faculty members donated books and some donated few indoor games as well. We then went to the village, all the students of the school sat in proper queues and our volunteers first gave them biscuits to eat and then we gave them all the books and games to setup their school library. The smile on the faces of the students and teachers of the school made all our efforts worthy.

**NAME OF ACTIVITY:** Bamboo Rakhi Sale

**Date of activity :** 6<sup>th</sup> August - 9<sup>th</sup> August

**No. of participants:** 59

**Activity area :** SLRTCE campus (stall near Xerox center)

**Description :**

In India, Raksha Bandhan is celebration about strengthening the bond of love between brothers and sisters and fostering brotherhood. This festival is not a ritual, custom and tradition that can change over time but its style of celebration has become contemporary. Since ages, all the traditions are followed with the same enthusiasm. To continue this tradition in aneco-friendly way, along with the happiness of tribal women, we decided to keep an exhibition of Bamboo Rakhis and spread awareness of the same.

From 6<sup>th</sup> August to 9<sup>th</sup> August, we had an exhibition and sale of Bamboo Rakhi. As fancy and designer Rakhis are made up of polymers and plastic which are non-biodegradable which initiatespollution whereas bamboois highly biodegradable. Not only focusing for less pollution but also helping the needy tribal women by being the cause of their happiness. Each volunteer co-operated excellently and we successfully sold all 150 rakhis. Not only girls but boys for their sistersand teachers alsopurchasedthem. We collected good amount of money i.e. around Rs.4500 and this money will be given to the women who crafted this rakhis. We were pleased to see the great response on all three days.

All rakhis are eco-friendly and made in India.

### NAME OF ACTIVITY: INDEPENDENCE DAY

Date of activity :15<sup>th</sup> august

No. of participants:59

Activity area : SLRTCE Campus

Description :

On the occasion of Independence day, we the NSS unit celebrated our 73rd Independence in tribute of our martyred leaders and soldiers for their sacrifices in college campus together with Principal Sir and the whole staff. Around 8:30 am all the teachers and volunteers were present in the college with the tri-color attire.

The Flag Hoisting Ceremony was done by our Principal Sir Dr. S. Ram Reddy and flag was soared high up in the sky. To make it more unique and unusual, we first time attempted to make biodegradable flags. As we can't throw, tear or burn the flag but we can bury it so on burying those flags, here we fulfilled the motto of one person one plant. We made those flags using flags, papers, tiny seeds which included seeds of chilies, tomatoes, etc. gum made by mixing flour and water instead of fevicol. We made around 200 flags and distributed it among the staff and volunteers before flag hoisting.

And here we ended the Flag Hoisting ceremony .

## SHREE L.R.TIWARI COLLEGE OF ENGINEERING NSS UNIT

**Name of Activity:** Advisory meeting and Street play session

**Date of activity:** 22nd August, 2019

**No. of participants:** 60

**Activity Area:** Shree L. R. Tiwari College of Engineering Campus

**Description:**

Street play is a form of theatrical performance and presentation in outdoor public spaces without a specific paying audience. These spaces can be anywhere, including shopping centers, college or university campus and street corners. The District Coordinator of Palghar, Mr. Jagdish Sansare came to our college, to conduct a session regarding the same. Firstly, our Program Officer, few volunteers along with our Principal Sir had a meet and discussed some important points for future activities with him, which included activities like vaccination (malnourishment) and water conservation.

Later the session was organized to enhance the skit ability of the NSS Volunteers. We warmly welcomed the Professor and he took over the session. The session included many games, activities, spontaneous demo-skit lessons, speech and lectures regarding some important topics. The session was entertaining, interesting, and a lot helpful and the professor was just flawlessly amazing. The volunteers enjoyed the whole session as well as learnt a lot of things.

We ended the session learning that an artist has no limits and must always inspire people with his work. We thanked Mr. Jagdish Sansare for such an amazing session had a picture for the memory and would utilize the values in our skit plays.

**Name of Activity:** Beach cleaning post Ganesh Visarjan

**Date of Activity:** 14th September 2018

**No. Of Participants:** 50

**Activity Area:**Juhu Beach

### **Description:**

Everyone goes to the beaches to get peace, enjoy and soothe themselves by getting close to the Nature as 'Nature is the Art created by God'. But these days' people seem to litter and spoil that art. Hence We the NSS Unit of SLRTCE went to Juhu Beach for a cleanup drive. Post Ganapati Visarjan, it was heartbreaking to see the Idols of God there on the beaches in that condition with all the litter like plastic bottles, plastic caps, wrappers, bags, flowers, prasad, etc.

We all reached there in the morning at 7am sharp. Divided ourselves into small groups and divided the work and areas for the work to happen in a systematic way. We all collected and segregated the waste and then the beach cleaning staff collected the idols and all the other waste and disposed them in proper manner.

The beach was looking clean and fresh as it is meant to look always.

### **Description:** -

On the occasion of 50<sup>th</sup> NSS Day, we NSS Volunteers of SLRTCE took an initiative to make this NSS Day to be very special and to contribute towards our nature. Hence, we decided to inaugurate a Botanical garden in our college premises. It was a message of go green given by us to everyone. We ploughed many seeds, seeds of vegetables, herbs and flowers too.

Our work should be considered as an inspiration for the youths in the college for doing something worth full for our society. Only planting isn't important but along with planting we should maintain it.

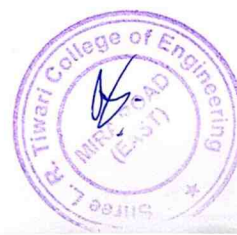

It was a great experience for all of us for being a part of this activity.

### **Description:**

NSSSLRTCE had conducted a trek to Karnala fort, Panvel on 12th January, 2020. All the volunteers were instructed to reach Panvel station by 8:30 A.M. Things that they carried were:
