Description :

As we all know that 5th june is celebrated as world environment day. On this occasion our college has organized an online session for awareness. Some volunteers has made PPT and some of them had written a speech about the importance of environment. we just shown students a PPT that how much important plants are and ask them to plant a sapling at home and somewhere near to there garden due to this pandemic, click the picture and send into the official group. 15 participants were there. This whole program was done under our PO prof. Menka singh. And we got good responses from the volunteers they planted a sapling and share in the group . we had put those pictures on story of the official Instagram page of our college.

Name Of Activity : Chiplun Mahad Flood relief donation drive

Date of activity : 25-28 JULY 2021

No. of participants : 27

Activity area : SLRTCE campus

Description :

As we all know chiplun has been struggling very hard because of the devastating floods of all time and many steps have been taken all across India to provide help in various forms. Henceforth we organized a Donation Drive in college. The list of required items was circulated in the form of a message; also volunteers went in each online lecture to increase the participation. But collection was done in college campus, and many students has visited to the college and donated the things as their wish. All the collected material was first segregated and packed properly in their individual boxes.

so it would be easy to identify the material in the box before opening it.

Among all the collections food items were collected in huge amount.

Collected items:

Tumeric

Chilli powder

2 cereals

Oil

Tea powder

Biscuits

poha

kurkura

medicines

some other sanitary stuffs.

Name Of Activity : Tree Plantation (On field)

Date of activity : 14th OCTOBER 2021

No. of participants : 33

Activity area : SLRTCE campus

Description :

On 14th October we performed a “Tree plantation “ event in the college campus. Trees are the foremost source for producing the oxygen in the environment, by reducing the level of CO₂. As we all are aware that the whole world is facing the problem of global warming and the only way to reduce its effect is by planting trees.

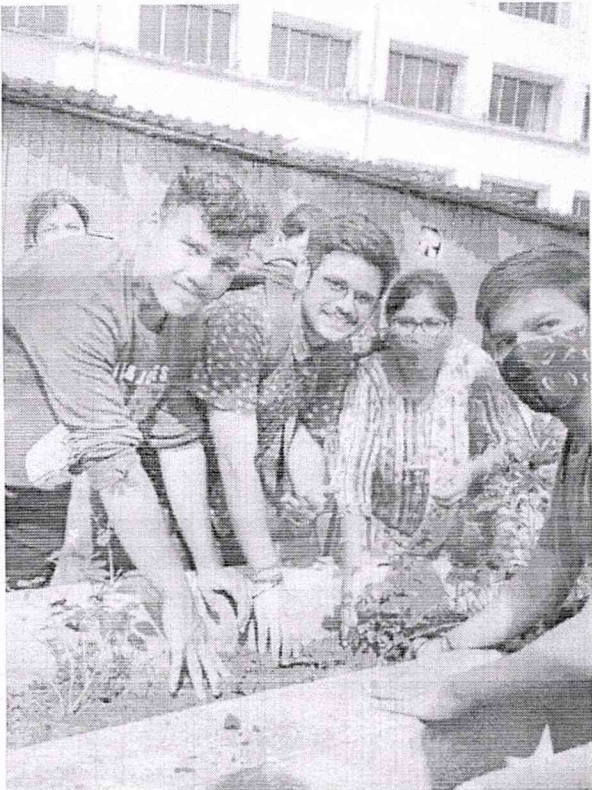

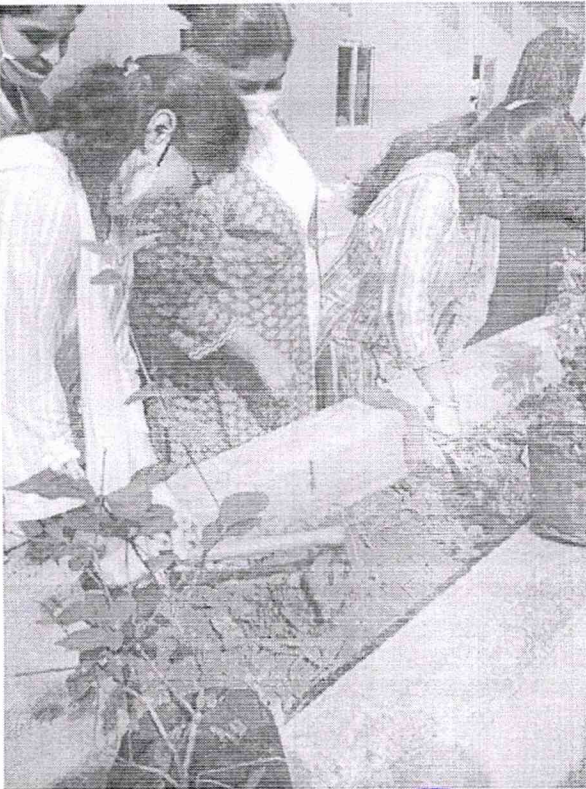

With 20 tree saplings that included trees like jasmine, we started with our work with assigning the spots for the saplings to plant. During planting, we took care for the proper growth like avoiding excess water accumulation. volunteers continued planting and all the saplings were planted with care within 2 hours. The tree plantation was attended by our PO (Prof. Menka Singh) and a few of other professors. Just planting saplings is not enough; we will be taking care of them until they are self-sufficient for the growth.

With this we conclude “Plant a tree so that the next generation can breathe free”.

Description :-

The "Road Safety Awareness" program was held on 20th October. Keeping this pandemic situation in mind the session was held online on google meet. The session was scheduled under our PO prof. Menka Singh and conducted by a group of people including Karan, Rohit and Cyril.

They started the session by taking a quiz about the road safety awareness to check the pre knowledge of the student about the topic. After that firstly they explained about the vehicles and parts of vehicles and how to use them properly in order to maintained the road safety. Also they had well explained about road safety signs and meaning they stand for. They gave us some tips for safe riding. like follow the zebra crossing rules, don't drive if you are drunk and also if u have consumed any medicine. At the end of the session they again took the same quiz.

Over all the session was very well explained and effective. We learnt about the road safety majors and various new things related to it.

NAME OF ACTIVITY: NATIONAL VOTER'S DAY

Date: 25 January 2022.

No. Of Participants : 32

Description:

The Vote is precious. It is the most powerful nonviolent tool we have in a democratic society, and we must use it.

The motive for the conduction of an event on the occasion of National Voter's Day started with these words. Voting is an another responsibility of citizens. The law does not require citizens to vote, but voting is a very important part of any democracy. By voting, citizens are participating in the democratic process. Citizens vote for leaders to represent them and their ideas, and the leaders support the citizens' interests. Electoral and voting systems are a vital link between citizen participation and democratic representation, and provide the mechanism for free and fair elections and political change. Sound electoral systems empower representatives to make decisions on behalf of others and confer legitimacy on governments. An election is a way people can choose their candidate or their preferences in a representative democracy or other form of government. There are different ways to organize an election in different countries. Voters might vote for an individual, or they might vote for a political party (party list).

Team NSS organized a webinar on the occasion of National Voter's Day, For the young upcoming generation and for those who don't understand the importance of voting. This was a live webinar NSS committed to spotlight on the importance of voting in a democratic society.

Conduct of event: -

With the permission and guidance of Principal sir, our Dean of the college and Student Affairs and our ISREW Head Amarnath Sir NSS HEAD Maheshwari Mam, we were able to conduct this activity. The seminar was conducted at Shree L. R. Tiwari College of Engineering. Our Principal Sir Dr. Sanjay Mishra, dean of our college Dheeraj Sir and Maheshwari ma'am presented a welcoming ceremony to our respected guests Deputy Commissioner Shree Sanjay Shinde, Nagar Sevak Shree Vasudav Shirvalker and Election Department Repetitive Shree Kailas Shevante by presenting them with tulsi sapling respectively. The hosting for this seminar was done by Ms. Mugdha Gawde.

Initially the seminar started with the introductory speech from Amarnath sir Head of ISREW, after his great full speech and a lovely warm welcoming.

The event started with a very informative poem presented by Adarsh Pathak a student of SLRTCE, the poem was regarding the importance of voting and the power one possess while having a right to vote. After that a speech was given by Vipul Tiwari and Amitesh Yadav. The event then was continued by Amitesh Yadav showing us some of the memes and video memes that were made by the Amitesh Yadav himself and Harsh Tiwari, students of SLRTCE.

The event then was lead to E-posters and handmade posters shown on the projector by Ms. Nivedita Rajbhar an institutional team member. Those posters were made by Varsha Jain, Raghav Gupta and Vikas Singh highlighting the awareness of active participation in Elections.

Many people showed up in the seminar and had an active participation and appreciated the work done by both the Team ISREW and NSS.

After that Ms. Mugdha Gawde invited Nagar-Sevak Shree Vasudav Shirvalker and Deputy Commissioner Shree Sanjay Shinde. Both of them gave a very informative speech regarding the importance of voting and spreading its awareness. After that Ms. Mugdha informed the audience about the voting campaign organized in our college by Team ISREW_SLRTCE.

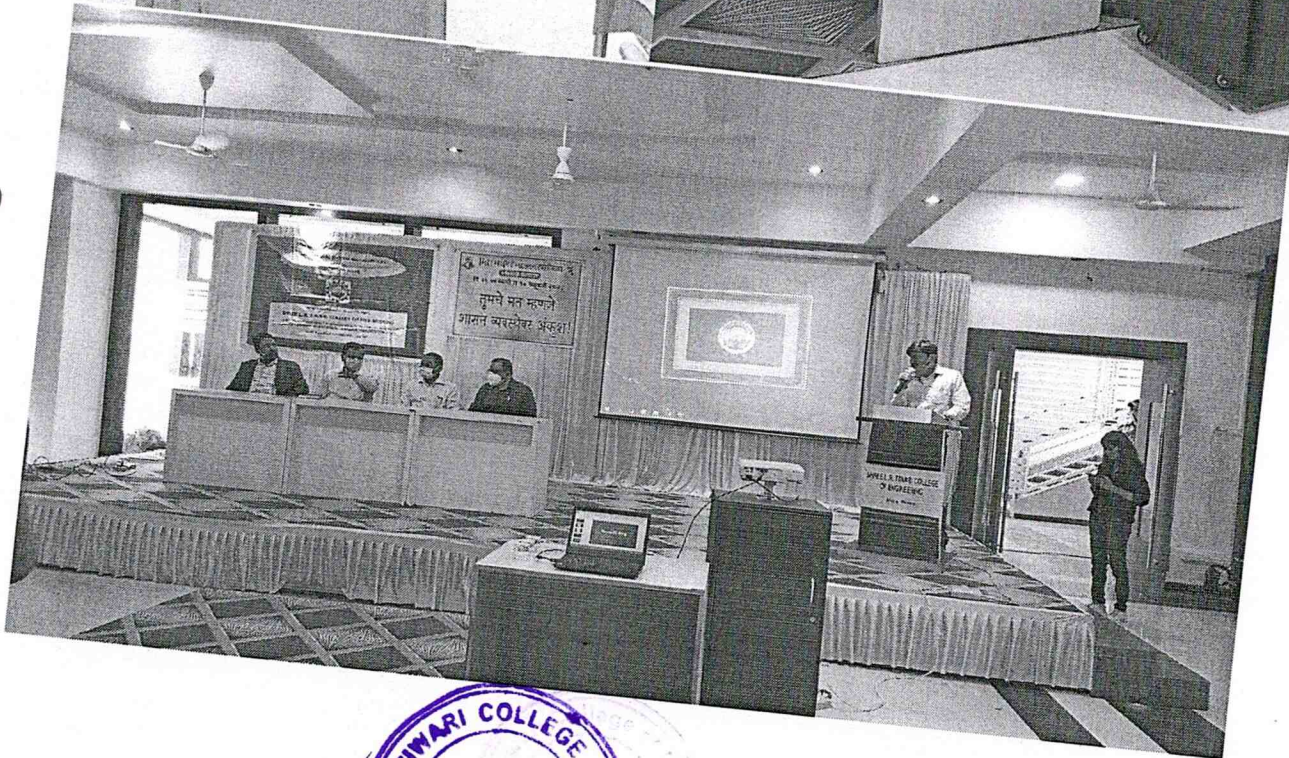

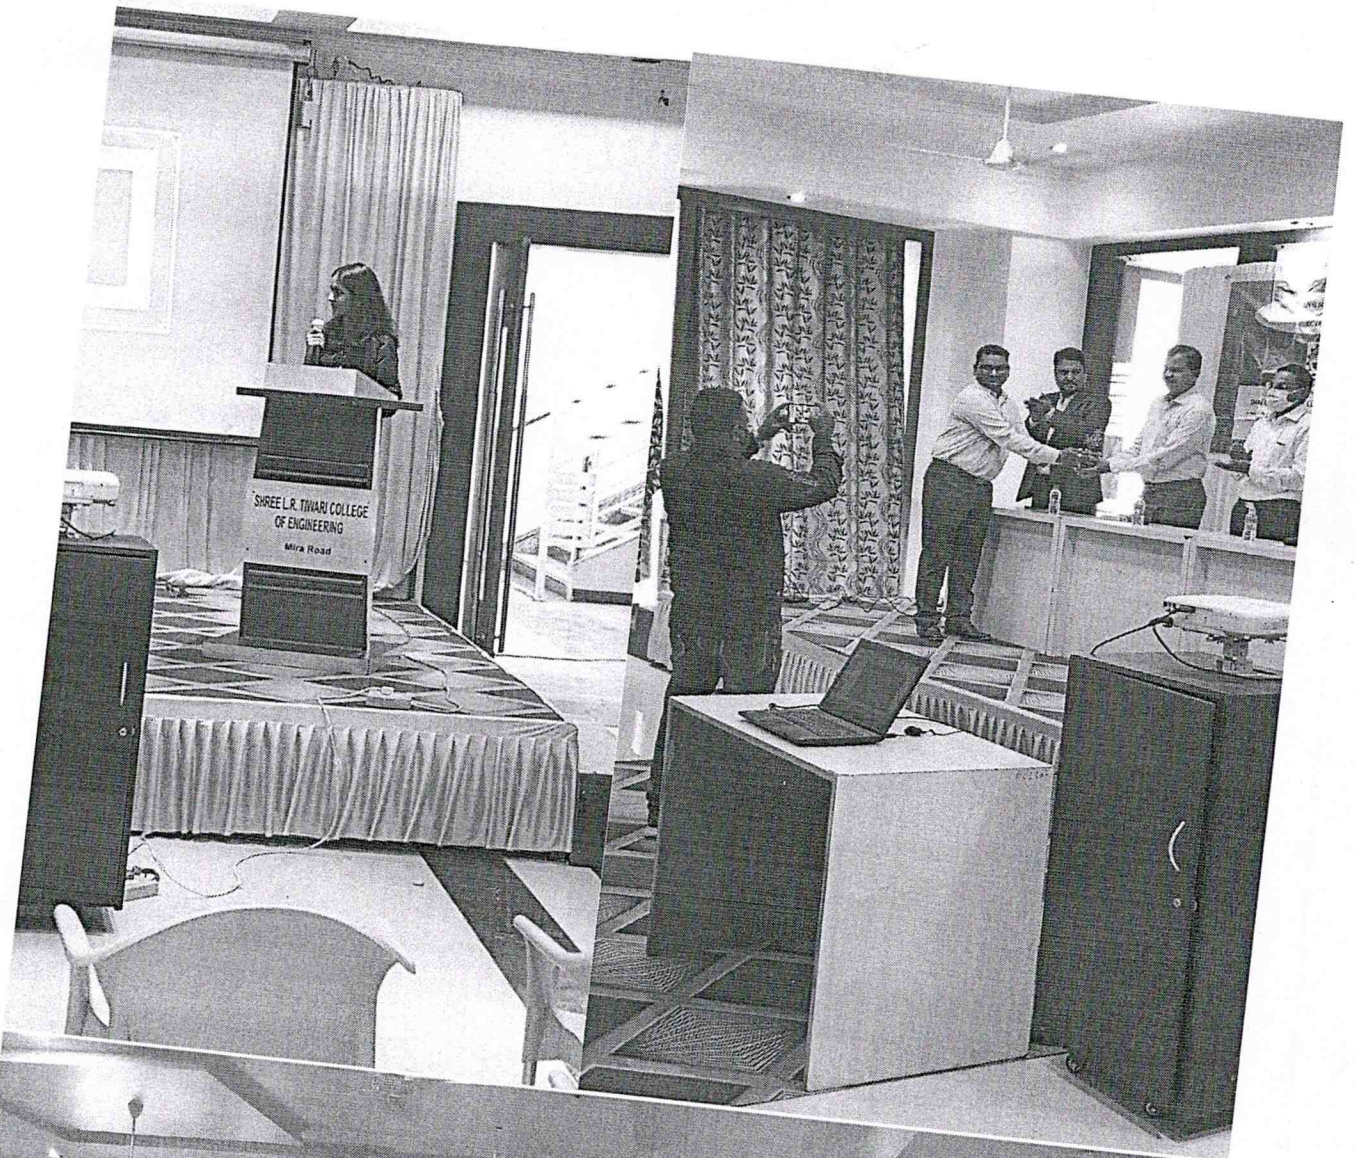

Then Principal Sir Dr. Sanjay Mishra gave a warm and loving speech as an appreciation for the work and efforts that were put in conduction of the seminar. He gave the vote of thanks to all the participants, faculties and guests that attended the seminar. It was a great experience and a pleasure to help others and make our youth aware of the importance of voting and the power they have to bring the change to the Nation.

At the end everybody stood up for the National Anthem and the seminar was ended.

Name Of Activity : Beach Cleaning and Anti-plastic awareness

Date of activity : 26th & 27th March 2022

No. of participants : 29

Activity area : College Campus

Description :

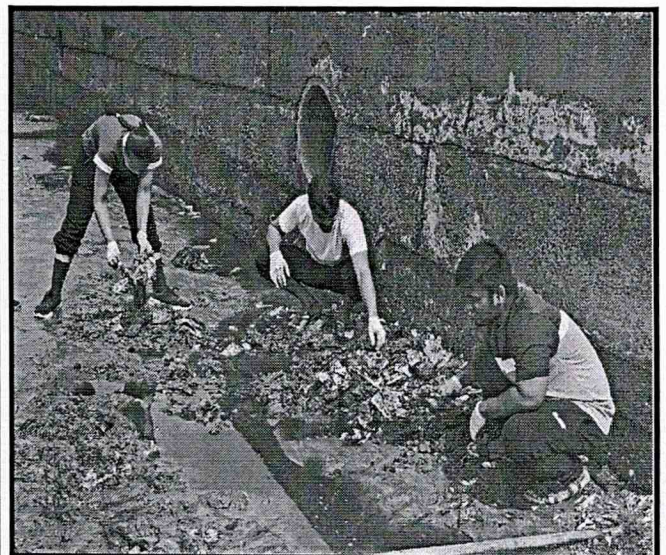

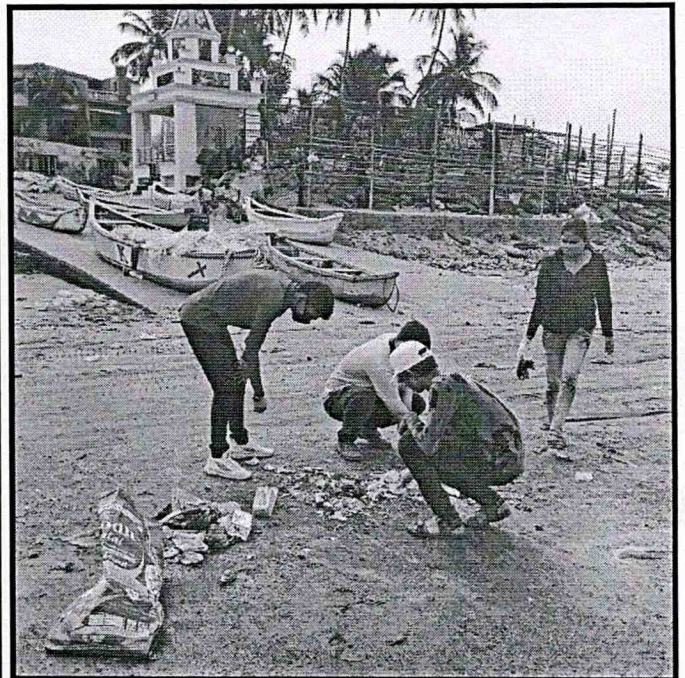

As we already know that The most visible impacts of plastic debris are the **ingestion, suffocation and entanglement of hundreds of marine species**. Marine wildlife such as seabirds, whales, fish and turtles mistake plastic waste for prey; most then die of starvation as their stomachs become filled with plastic.

On the 26th march of 2022, the NSS unit of our college performed an activity for Beach cleaning & Anti plastic awareness at the same time. The entire nss unit including leaders and volunteers chose and went to Gorai beach to perform the activity. Previously the beach side was full of debris including plastic bottles, puch etc. The entire team reported at location at 9.00am. They cleaned the whole beach side area and simultaneously they were spreading the awareness to the resident people near the beach regarding the same. The whole program was organized under our PO Maheshwari Ma'am.

Description :

The nss leader had planned activity library stacking on 29th march. As this activity was planned in our college as new books were arrived and the old books were not kept in a proper manner. As the nss leaders got this news they planned activity with NSS volunteers. There were N number of books to be arranged, it took us 3 hours to arrange new books and 2 hours to arrange old books in their respective sections. A lot of team work was required to arrange new books as the new books have to be stamped because as the books were owned by our institution and envelope to be stuck on the last cover page to maintain a library card. The whole activity was performed under our PO, Menka Singh.
