Dist Thane

Dear sir

First of all our sincere thanks to your team (Ms Neelam Phadnis, Mr Pravin Jangid sir and all the students) for the excellent two days training session on Blockchain and Cryptocurrency investigations last week Saturday and Sunday. It was simply outstanding and way beyond our expectations.

We will surely try to speak to lot of clients in Police, Law enforcement, Defence forces and Revenue agencies and try to get training engagements for your team.

We are participating in the All India Forensic Science Conference (AiFSC23), held by MHA Govt of India at NFSU Gandhinagar between 1st and 4th Feb 2023. We would like to take 2/3 students from the team that trained us to the conference to give them practical exposure to the Enforcement and Forensic Science officers and understand their concerns. Our company will be pleased to take care of the students travel, stay and related expenses for the duration of the conference.

We request your permission to take the students to NFSU Gandhinagar for this purpose.

Thanking you once again sir.

Regards
S Venkatesan
Director
