10		Library Facility	73% students have found the adequate library facility	Study material and all course books are available and accessible in the library as wel as in the digital mode for students.
11		Provision of career oriented programs	80% students have found the satisfactory provision for career oriented programs	The Placement Cell and Departments are encouraged to conduct counselling sessions, talks, and seminars for students to have greater clarity on their career options. The Placement Cell was also advised to be more responsive to students' need and make students more aware about activities they organise for their placements through severa mediums
12		Activities in the college like Co curricular, Extra curricular, Festival Celebrations, Various Competitions etc	83% students have found the activities in the college like Co curricular, Extra curricular, and various Competitions are satisfactory	Students are encouraged for participating in various cocurricular and extra curricular activities.
13		Enhancement of student's personality	78% students have found that they are well groomed in soft skills.	Department conducts Soft skill session for personality development.

Mira Road (East)

14		Value Based Education	78% students have found that they are getting satisfactory value based education.	Value education seminars and session are arranged for the students' benefit.
15		System of monitoring student's progress	80% students have found satisfactory system of monitoring student's progress	Open house and PTM are carried out every semester, for monotoring the progress internal assessment is conducted.
1		Does the syllabus meet the objectives?	85% Teaachers are satisfied with the syllabus and found the objectives achived.	New practical approach suggested to teacher to meet the objective
2		Organisation of the course	95% students found the organization of the syllabus satisfactory.	The respective department organizes webinars, seminars, and workshops for bette understanding of subjects.
3		Emphasis on fundamentals	80 % students feels the students gives emphasis on the fundamentals	Encourage students to enroll for courses like MOOCs and NPTEL.
4	Teachers	Benefits derived from the course	99% students are able to find the benefits from the course	Subjects skill labs, mini project and Major Projects enrich the students to carry on theoretical concepts to real life situation and Industry problems
5		Coverage of modern/Advanced topics	80% students are saying the syllabus covers the modern topics	The respective department organizes Extra GATE Lectures for better understanding of subject.
6		Does this course meet the current industry requirements?	80% students have found the syllabus as per the industrial requirements.	To get industry oriented skill and practical knowledge, different kinds of hands-on practical sessions, webinars, seminars, Industrial visits were arranged for students.
1		Does the syllabus meet the objectives?	90% students are satisfied with the syllabus and found the objectives achived.	The respective departments uses practical apporach to achive the objective.
2		Organisation of the course	81% students found the organization of the syllabus satisfactory.	The respective department organizes webinars, seminars, and workshops for bett understanding of subjects.
3		Emphasis on fundamentals	73 % students feels the students gives emphasis on the fundamentals	Encourage students to enroll for courses like MOOCs and NPTEL.
4		Benefits derived from the course	73% students are able to find the benefits from the course	Subjects skill labs, mini project and Major Projects enrich the students to carry on theoretical concepts to real life situation and Industry problems
5		Coverage of modern/Advanced topics	82% students are saying the syllabus covers the modern topics	The respective department organizes Extra GATE Lectures for better understanding of subject.
6		Does this course meet the current industry requirements?	73% students have found the syllabus as per the industrial requirements.	To get industry oriented skill and practical knowledge, different kinds of hands-on practical sessions, webinars, seminars, Industrial visits were arranged for students.
7	Alumni	Do u feel proud to associate as Alumni of SLRTCE	81% Alumni are proud to be part of SLRTCE community	Alumni meets are scheduled every year.
8		Are you willing to contribute to the development of college	63% Alumni are willing to contribute to the development of college.	Alumni are conducting interactive sessions for the ongoing students.
9		Is the education imparted at SLRTCE useful for your current job?	60% Alumni fund that the edcuation imparted in SLRTCE is useful.	As per the suggestions given industry exper lectures are planned.
10		Were the HOD's and Faculties cooperative?	91% Alumni have found that HODs and faculties are cooperative.	Students are encouraged for internships and other technical activities with faculty guidance during their academic year.
11		Has the T & P cell provided ample on campus placement opportunities?	46% Alumni found that placement oppurtunities were provided.	T&P cell have planned training programs.
12		Have you availed career counseling and guidance from the T & P cell?. Would you be interested in delivering a	55% Alumni found that guidance was provided by T & P cell. 63% Alumni are interested to	T&P cell ensures continuous career counseling and guidance. Alumni interaction planned and conducted
13		Guest Lecture/ Motivational Speech for your Juniors?	conduct the guest lectures for the on going students.	based on their work experience and technical expertise every semester.

14		Do you like to join the college Alumni Association?	72% Alumni were interested to be part of Alumni association	Awareness regarding Alumni association activities is conveyed during the annual Alumni meet.
15		Do you receive regular updates from college via Mails/Calls/SMS?	73% Alumni said, they received updates from college through electronic media.	Updates are send through social media handles by college
1		General Communication Skills		
2		Developing Practical Solutions to work problems		
3		Working as a part of a team	Overall feedback for Employer was found to be normal (3) (Scale-Strongly Disagree - 1, Disagree - 2, Normal - 3, Agree - 4, Strongly Agree - 5)	Provide communication skills training to improve ratings in this area Encourage practical problem-solving and creativity through workshops or brainstorming sessions. Support self-motivation and taking on appropriate responsibilities with coaching and goal setting. Promote a more open and receptive attitude to new ideas and learning. Strengthen technical knowledge and skills, especially in areas where "Strongly Disagree" and "Diagree" responses were relatively high.
4		Creative in response to workplace challenges		
5		Self motivated and taking on appropriate level of responsibility		
6	Employers	Open to new ideas and learning new techniques		
7		Ability to contribute to the goal of the organization		
8		Technical knowledge/skill		
9		Innovativeness, creativity		
10		Relationship with seniors/peers/subordinates		
11		If you were dissatisfied with any aspect, please comment further
