

Shree Rahul Education Society's (Regd.)

SHREE L. R. TIWARI COLLEGE OF ENGINEERING

(Approved by AICTE & DTE, Maharashtra State & Affiliated to University of Mumbai)
NAAC Accredited, NBA Accredited Program, ISO 9001:2015 Certified | DTE Code No. : 3423
Minority Status (Hindi Linguistic)

EMPLOYER FEEDBACK FORM

We are thankful to you for providing them employment with your prestigious Company/Organization.

We appreciate and are grateful to you if you can spare some of your valuable time to fill up this feedback form. It will help us to improve the Institute further.

Objective: As part of outcome based education it is required to take feedback about the extent of compliance of the University curriculum for attaining the program outcomes and program specific outcomes.

Name of Employer	
Company	
Profession/Designation	
Type of Industry	
Email ID	
Mobile No.	

Note: Response scheme: 1.Low, 2. Moderate, 3. Strong

Sr. No.	Parameters	Rating
	How satisfied are you with the students work performance in each of these areas:	
1	Students' general communication skills. (Our syllabus covers communication skills like writing effective reports and design documentation, make effective presentations).	
2	Developing practical solutions to work place problems. (Our syllabus enables to identify, formulate, analyze problems to search the literature and find out the appropriate solutions to engineering problems).	
3	Working as a team. (Our syllabus encourages functioning effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings).

Karakiya Park, Mira Road (E).

4	Creative in response to workplace challenges. (Our syllabus aids in Designing solutions for complex engineering problems).	
5	Technical knowledge/skill. (Our syllabus focuses on modern engineering and IT tools including prediction and modeling for complex engineering activities).	
6	Professional ethics and responsibilities. (Our syllabus gives stress on the application of ethical principles and commitment to professional ethics and responsibilities and norms of the engineering practice).	
7	Innovativeness, creativity. (Our syllabus demonstrates knowledge and understanding of the engineering and management principles and apply these to one's own work to manage projects in multidisciplinary environments).	
8	Ability to contribute to the goal of the organization. (Our syllabus focuses on the impact of the professional engineering solutions in societal and environmental contexts and the need for sustainable development).	
9	Self-motivated and taking on an appropriate level of responsibility. (Our syllabus recognizes the need for life-long learning in the broadest context of technological change).	
10	Open to new ideas and learning new techniques. (Our syllabus uses research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions).	
11	Rate your satisfaction on overall Academic Performance.	
12	Rate your satisfaction on the overall Ambience of the Institution.	

Any other suggestions: _____
