

Universal Human value (UHV) plays an important role in the life of human beings at various stages including education and career.

The overall personality of an individual depends on family circle , school circle including friends and teachers and most vital is social circle which has a dominant impact on humanity & moral capabilities.

Education in Universal Human Value (UHV) is deeply essential to nourish the moral capabilities in the student & ultimately in society in a positive way.

To bring this positivity in our Society UHV cell, University of Mumbai is organising an online student induction programme on UHV (Sampler) from 25th January to 30th January 2021.

You are kindly requested to register for the same.
